MILLER RECOVERED FUMBLE

BOBBY BOWDEN, FLORIDA STATE

"I'd rather brag about Louisville than talk about us. That was not the same Louisville team that I have seen the last two weeks. They took the fight to us and I give Louisville all the credit. We made some mistakes but our kids fought hard. We were going to try and run the ball but they wouldn't let us. When we mixed things up, then we did run some.

When you're favored like we were, it makes it tough to get the players up. We can't lie to them; they knew they were heavily favored. But that did not look like the same team (Louisville). I'm not sure how flat we were. I think it may have had a lot to do with how Louisville played.

Gruden did a great job; he had excellent protection. Up front defensively, they gave us fits. But we won and I just hope that there were no major injuries on either side."

"HOWARD SCHNELLENBERGER, LOUISVILLE

"Well, we asked our football team to come down to Tallahassee and take on a very talented Florida State football team. To go out and give it their best effort. Be loose and relaxed and try to do their very best. I think they did that.

Obviously we're not ready to compete with Bobby Bowden and his fine Florida State football team. But I thought our kids distinguished themselves in a lot of areas. There will come a time when this football team will be able to match up and play with a team like Bobby's.

(At the end of the game) I thought Bobby handled the situation extremely well in the closing parts of the game and showed a lot of class and his football team showed a lot of class.

Obviously we couldn't run the ball well enough to establish anything but we didn't call a lot of runs. But the line protected Jay reasonably well and Jay threw reasonably well. We made some plays. Obviously a couple of more plays in the first quarter would have made the score a lot more respectable."
