RECOVERED FUMBLE: WETZEL, RINK, MARTS

"Probably the key tonight was our defensive play. Both of Tulane's scores came after fumbles if I remember correctly. Our defensive effort was super. We did a better job on Jones and Zeno than I thought we would. You look at this game and the high scoring and you got to realize that the defense created so much of it.

Sammie Smith set the tone offensively in the first half. I've always felt he was a November player because of last year. But I think he ought to be in that Heisman race. I look at everyone else and he's as deserving as anyone else in the country.

I don't know the statistics, but McManus was red hot in the first half. When Darryl is hot, the offense is pretty good. "

#### TULANE HEAD COACH MACK BROWN

"I think the biggest thing is that Florida State is a great football team. It's the first time we've been in a football game where we got some early turnovers. But before we got into the game we were out of the game. One thing that led to the score is that we decided to play some young kids. The thing that's good about college football is that there is always next week. When you play a team like Florida State and turn the ball over, that is going to happen. We're not a great football team but we're not as bad as we played tonight. We are somewhere in between. "

#### FLORIDA STATE NOTES

\*In three games with Tulane, Danny McManus has completed 44 of 61 passes for 588 yards and five TDs

\*Derek Schmidt's 10 PATs today ties his own record for most attempted and most made in a game. Schmidt's 360 points in his career is now second all-time on the collegiate scoring list. He needs 8 points to tie Lui Zendejas of Arizona State with 368 points.

\*Sammie Smith's 111 yard game broke the Florida State school record for consecutive 100-yard games. He now has four. Smith also moved into the 7th position on the FSU all-time ~~running back~~ rushing list with 1,677 career yards. He also broke the sophomore rushing record with 892 yards thus far. Those 892 also represent the 7th best single season rushing total.

\*Dayne Williams 3 TDs rushing tonight gives him 11 for the season and 16 in his career. It is the 3rd best total for a season and the 3rd best career mark also.

\*Danny McManus' three TD passes moves him into 6th place on the all-time list. It gives him a total of 25 in his career. His season total of 14 ties him for 6th place on the season list at FSU. His 256 throwing yards gives him 2981 for his career and moves him into 7th place.
