POST GAME QUOTES:

JIMMY JOHNSON:

"I thought the entire team played well in all phases. I'm proud of how we approached this game in a business-like manner and then the players went out and took care of business. We were in tip-top condition and that helped.

"All this talk about rankings...a year ago is history. All we've done is won one game -- nothing more and nothing less.

"I told the team all this means is the worse we that can happen is that we can end up one and ten. They know what the best is."

AILLIS PEGUESE:

"After the first snap, we knew we had it, it was a tough ball game, but it seemed too easy.

LEONARD CONLEY:

"We went out to take control of the game, we wanted to take care of business. We hit the first field goal and went from there. We played hard.

CLEVELAND GARY:

"Tonight, we executed and hit the holes. Now, it's back to the boards for Michigan.

SOBBY HARDEN: 1

"The defense flowed well, we were prepared well. We watched film and recognized what was coming at us.

STEVE WALSH: .

"It seems funny to say, when you've scored 31 points, but the offense really didn't play that well. The defense played so well and gave us good field position and that made our job easier."
