Notes

- ** The 63 yard reception by Lawrence Dawsey in the second quarter was the third longest touchdown pass in FSU history. It ranks behind a 95 yd. pass from Jimmy Jordan to Murr Unglaub vs. Virginia Tech in 1976 and a 75 yd. connection from Jimmy Black to Rudy Thomas vs. Southern Miss in 1976. The play also tied for the 16th longest PSU touchdown play in school history.
- ** Brian Brock's interception return for a touchdown in the first quarter was FSU's first since his freshman season (1985) when he set a school record with a 100 yard INT return in the fourth quarter against Tulsa.
- ** Cammie Smith became the fourth Florida State runningback to gain over 1,000 yards in his career on a three-yard gain in the first quarter. He becomes the fourth Seminole player and ranks behind Greg Allen, Larry Key and Mark Lyles on the all-time rushing chart.
- ** Casey Weldon's touchdown pass to Tom O'Malley in the third quarter was the first of the career.
- ** Florida State's first punt block of the year came in the fourth quarter against Southern Miss. Linebacker Kelvin Smith was the man who got the ball. It was Smith's third punt block in his career. Last year, the sophomores blocked six punts in one game -- the Southern Miss contest.
- ** Florida State defeated Southern Miss by the same score two years ago in Tallahassee.

Quotes from FSU Head Coach Bobby Bowden

"We won the ball game and we're thankful for that, but I don't think we looked serious enough, not enough to win next week. The defense was sharper than the offense. We couldn't get our running game going, but they just blitzed, blitzed, blitzed. Dimes set the tone. When you have big-time players, they are supposed to do that. If they don't, we'll quit calling them big-play players.

"Against Miami, they made all the big plays, and tonight we made the big plays. We played a lot of young players on offense and defense, and as hot as it was, it was a good thing. Our schedule gives us another chance, but we're not playing well enough to beat a Miami or a Clemson. We've got to get a lot better.

"Chip did a good job. We played Weldon because we saw Peter Tom in a pressure situation against Miami and were determined to see Casey in a pressure situation."

Quotes from USM HEAD Coach Curley Hallinan

"I hope when I look at the film of tonight's game I can see where we played hard. I know we had a lot of silly mistakes during the game. We put ourselves in position to make a lot of big plays, and then didn't make them. A good football team makes those plays. We had a couple of high snaps, and other mistakes that good football teams just don't make.

"I do have to give coach Bowden and his staff and players credit for an outstanding job. They made the plays when they had to and that's the sign of a good football team. Congratulations go out to them. Just as we thought, they're a good football team. Give them credit for doing an outstanding job.

"We worked throughout the week on the pass play over the middle to (Blacky) Frank and while it worked a couple of times, we also didn't make the play a couple of times that probably we should have.

"We were down at the half and had the opportunity to come back in the second half but didn't. In the first half we did a lot of things well, but some of them we didn't do as well in the second half. Again, it's the sign of a good football team that you take advantage of the opportunities that are presented. We have that to win for a better kind of team we want to be."
