## Coaches' Quotes

### FSU HEAD COACH BOBBY BOWDEN:

"I thought we could put it away sooner, but we had to battle for four quarters. All the credit goes to them. They came in here and executed well, were well coached, inspired and they whipped us on the line of scrimmage. I'm just happy to get the win. Our receivers played superbly, they have all year. If they hadn't, we would have lost this game. When they scored in the fourth quarter, I was worried. I thought we might lose. They had the ball 19 minutes in the first half. I'm concerned, but I've learned to be happy with wins. For some reason, nothing was clicking. Attitude is such a big factor. They came in fired up and this wasn't the time for us to be fired up.

"Chip did a good job. Probably one of those games that we should have passed every down. Every running play seemed like a throw away. Still looking for the right combination on the offensive line and we haven't come close to finding it. Defense did all right, they were working without Odell for the most part, and Deion, and those are the two leaders. But our defense did a good job under the circumstances."

### GEORGIA SOUTHERN HEAD COACH ERK RUSSELL:

"I've never been prouder of a group of young men with the effort they put forth. It was the greatest opportunity of a lifetime. Our players went out thinking they could compete with Florida State and damned if they didn't do it. I'm proud of my kids, not for the score, but for their effort. I felt we would be able to move the ball more successfully on offense, than defense. Things were there for the option, but Florida State is so quick, that the openings were not there."
