COACHES' QUOTES

Florida State Head Coach Bobby Bowden: "We played good. Better than I thought. With an open week, you never know how you'll come out. Whether you'll be sharp. Our kids played about as good as we can play, if you take out the mistakes. Chip played well, when you protect him, he can throw. He's not real mobile, but if he has time, he has great touch. The early drives were important, and he had a lot to do with keeping the drives going. The defense played super. Our goal was to hold Emmitt to under 68 yards and I think we reached that. We executed well. Our offensive line probably had their best day yet, unless it was South Carolina. We think Florida had one of the best defensive lines, so that makes the performance even more impressive. We thought we had to run and throw to win and we did. Sammie has been getting ready for this game for two weeks. He had a determined look and I knew on his first couple of carries when he broke the tackles that he meant business. He and Chip gave us the early momentum. We haven't beat them much, period. But hardly ever like this."

Florida Head Coach Galen Hall:

"Congratulations to Florida State, they are a fine football team. They played a balanced game. Their offense was outstanding as well as their defense. I feel sorry for our seniors on the team because this was their last shot at Florida State, but for the younger guys, they will be back next year.. Our guys didn't give up though, they played well the entire game. This will be a good incentive for us next year. "

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs); then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged

with a game unless you indicate otherwise under **DID NOT PLAY IN THIS GAME**. A game played is one play—whether or not the player touches the ball. (For guidelines on a game played, refer to the Official Football Statisticians' Manual.) If a player with first-time statistics has missed games, fill in below—after getting from the SID how many games missed.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On a pass play, list the passer first, then the receiver and combined yardage of pass and run. After each touchdown, please

continue on the same line and under OFFENSIVE EXTRA POINT ATTEMPTS check (✓) the type of PAT (kick, pass or run) and whether good (G) or no good (NG). If the defensive team GAINS POSSESSION (refer to Section 11 of the Statisticians' Manual) after returning a PAT kick attempt or intercepts a PAT pass attempt or recovers a fumble on a two-point attempt before it touches the ground, continue the appropriate entries under DEFENSIVE EXTRA POINT ATTEMPTS. If a player scores on a Defensive Extra Point Attempt, indicate the yardage in parentheses after his name (see example).
