COACHES QUOTES

Florida State Head Coach Bobby Bowden:

"The way we were prepared, I am very happy to have a win. They were better-coached than we were. Bill did a lot better job than we did getting his kids ready. Maybe some of it had to do with them having a game under their belts.

"They just wouldn't turn the ball over in the first half. I think we were really lucky to be in as good a shape as we were. And we were lucky to win the game. It sure beats losing. Our kicking was better than it was a year ago, but our coverage really killed us a couple of times. I thought we caught the ball well.

"We had too many good players and that's why we won. We had better material than they did. If we can't play- better than we did tonight, we ain't gonna make it. I never thought we were in control. Every time I did, they would score. Brad Johnson played well, but conservative. He took a lot of conservative throws -- the short ones and we had guys open on deeper patterns. I think we'll see that in the films. Our defense was out of position a lot. That's coaching.

East Carolina Head Coach Bill Lewis:

"I think we showed up to play and I'm proud of that. I think we have the heart to have the type of football team we want to be.

"You give a team who scores as many points as that credit for scoring those points. But also there were some things as far as opportunities and which team makes the plays. When you have an opportunity to make plays you have to make them.

"I have the upmost respect for Coach Bowden. I congratulate his coaching staff and squad on the victory-. I'm proud of our football team. We showed up ready to play and we played hard.
