FLORIDA STATE NOTES

- *** FSU senior wide receiver Lawrence Dawsey's 13 catches for 160 yards was the fifth-best single game receiving performance in FSU history (13 catches). No one in FSU history has caught as many passes in a game since Kent Gaydos snagged 13 passes vs. Houston in 1969.
- *** Dawsey's day also gives him 96 catches for 1,566 yards in his career to move him past Fred Biletnikoff on the FSU career lists for both catches and receiving yardage. He now ranks eighth on the career reception list and ninth in receiving yards.
- *** Dawsey extended his consecutive game receiving streak to 26 games with today's effort. He has caught at least one pass in every FSU game since the Clemson game of 1988.
- *** Brad Johnson's 26 completions today marked a career high for the junior quarterback.
- *** Senior tight end Dave Roberts' eight catches was also a career high. He finished with eight catches for 82 yards.

FLORIDA STATE QUOTES

FSU HEAD COACH BOBBY BOWDEN:

I can't believe the "We lost this game in the first half. lack of poise we showed early. We played so much better in the second half, I thought we were gonna pull a 'Miami' of '87. Dennis (Erickson) did a lot better job of preparing his team than I did. We just kept putting ourselves in a hole. You can't start every drive first and 20. Dawsey really kept us in the I've never seen a wide receiver do that. I've seen But that's the quarterbacks, runners and defensive players. first wide receiver I've seen do that. To be honest, the game Their offensive line against our defensive was lost up front. line. We've got to get a lot tougher. Our next opponent will be We didn't hit much this week in just as tough as this one. You can't beat Miami practice because we had so many injuries. when you practice like that. The defense was playing good early, but the offense just couldn't do enything. We really got it together on offense in the second half. I don't think we punted We could've won the stinking game. I really thought one time. then they drove 80 yards and that pretty much we could win, wrapped it up."

Game Notes University of Miami vs. Florida State University Orange Bowl Stadium October 6, 1990

CONLEY, McGUIRE SETS SINGLE-GAME RECORD:

Miami fullbacks Leonard Conley and Stephen McGuire broke their single-best rushing records today. Conley ran 16 times for 144 yards to top his previous best of 120 yards against Cincinnati in 1987. McGuire carried the ball 31 times for 176 yards today, topping his previous record of 136 yards against East Carolina on Nov. 4, 1989. McGuire's total yardsge placed him fourth on UM's record list for yardsge in a single game, and his 31 rushes put him in a tie for fourth place on UM's single-game rushing attempts with former UM running backs Otis Anderson (31 vs. Boston College, 1976) and John Noppenberg (31 vs. Tampa, 1931).

Two un Rushers are to the for over 300 yds combined: Today was the first time since Miami's game against East Carolina on Nov. 4, 1989, that UM had two runners gain more than 100 yards rushing. Current UM running backs Stephen McGuire and Alex Johnson rushed for 111 yards and 136 yards, respectively, against the Pirates last year.

UM RUNNERS TOP 300 TOTAL YARDS:

Hurricane runners gained 334 yards today. The last time UM runners gained more than 300 yards rushing was on Oct. 24, 1987, against Cincinnati when UM gained 384 total yards rushing.

SECOND-LARGEST CROWD IN UM HISTORY:

Today's crowd of 80,396 was the second-largest home crowd in UM history. Last year's crowd for the Notre Dame-Miami game (81,634) was the largest.

This is the third straight home game with more than 70,000 fans, two of which exceeded 80,000. Miami's two home games this year have totaled 150,816. By contrast, the entire 1980 home schedule of five games drew a total of 120,007.

HURRICANE QUOTES

STEVE MC GUIRE:

"We knew that if we could run the ball we would be successful. We concentrated during practice, on run first. The offensive line did a great job firing off the ball and it made it easy for us to hit the holes and drive the ball down the field. It was a great team win."

RUSSELL MARYLAND:

"It is a great feeling to beat Florida State. They are a first class ball club and we went out to prove that we were just a good. Florida State has a lot of quality players and it was a great test for our team."

LEON SEARCY:

"Coach Erickson and Coach Smith told us during the week that to be successful we needed to run the ball. We concentrated on the running game and it payed off. The offensive line as a whole did a great job creating holes for the running backs. It was a great team win. We felt good and confident."

MIKE SULLIVAN:

"It took a total team effort today to beat Florida State. We opened the holes and the running backs did the rest. The win means a lot to the seniors on the club and now we look to Kansas next week. It feels good to win after losing last year at Tallahassee."

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On a pass play, list the passer first, then the receiver and combined yardage of pass and run. After each touchdown, please

continue on the same line and under OFFENSIVE EXTRA POINT ATTEMPTS check () the type of PAT (kick, pass or run) and whether good (G) or no good (NG). If the defensive team GAINS POSSESSION (refer to Section 11 of the Statisticians' Manual) after returning a PAT kick attempt or intercepts a PAT pass attempt or recovers a fumble on a two-point attempt before it touches the ground, continue the appropriate entries under DEFENSIVE EXTRA POINT ATTEMPTS (see example). If a player scores on a Defensive Extra Point Attempt, indicate the yardage in parentheses after his name.
