*** Tommy Henry's interception tonight was the third of his career, but first since the 1990 season.

*** With four interceptions thrown tonight, starting quarterback Charlie Ward has already thrown as many interceptions on the season (8) as last year's starting quarterback, Casey Weldon, threw during the regular season (12 games).

*** Tonight Ward had many chances to throw INTs with 39 pass attempts. Weldon threw over 35 passes in a game only once last season -- against Florida in the final game of the year (51).

*** Kevin Knox established a career high for catches in a game with six for 72 yards. It was not a career mark for yardage.

*** Florida State Head Coach Bobby Bowden:=

"I don't think we did anything to hurt the series tonight. We said it was going to be a natural and this was a great start. We were very fortunate to win. It was a game I didn't feel like we had won, but then we did. It was kinda like the last time we were here. We have got to get our offense together. It's obvious we can't do some of the things we thought we could. We had people open and Charlie couldn't get the ball to them. They were giving us the middle and we were afraid to keep throwing it there. I thought a big plus was when we put Danny Kanell in the game. It gave Charlie a chance to get a breather and he really came back strong. We thought about leaving him in, but after what happened on the last drive, I'm glad we didn't. Clemson really had us scouted well. They ate up our trick plays. They wouldn't rush our passer and they wouldn't be fooled. Sure, this was a big conference win for us, but they are all big games. I've got a feeling N.C. State is gonna be just as tough. We've got work to do. If we don't play better, we won't win. I'm not taking anything away from Clemson, but we won't pull them out like this every week. Our defense sure played good enough to win tonight. You know, that last drive really tells you something about Charlie Ward. He was inaccurate all game and it was driving me crazy. Then that last drive was just great. I've got to get him in that mode all the time."

Coach Ken Hatfield--This was a great effort on the part of our kids. Nobc could have fought harder. We could have given up, but we didn't. This was a classic football game. I hurt for our kids right now. The fans tried hard and our kids tried hard.

Charlie Ward did a great job. He is such a talent. Our defense played Championship style and I'm very proud of that. I couldn't have asked the defense to play any harder than they did.

We did a great job on kickoff coverage and punt coverage. We took away from their kickoff and punt return game which is one of their strengths

A big break was Ronald Williams hustle. I thought that was going to win t game for us.

I am proud of our effort. XXXXXXXXXX

It is still too early in the season to find what we do best. We still need to find what will get the ball consistently down the field for us.

We had to concentrate on pass protection early because of their blitzing. We were not communicating well. We made some adjustments at the half. The adjustments kept us alive and helped us make some big plays.
