FLORIDA SEMINOLE NOTES & QUOTES

*** Tiger McMillon rushed 23 times for 138 yards in the game to set his career high. It was also his first 100-yard game of his career. The 138 yards is the highest total by a Seminole rusher since Amp Lee rushed for 147 yards against Florida in 1990. It was only the second 100+ yard day by a Seminole back this year.

*** Coney Sawyer had his sixth interception of the year, but still does not have a single return yard on the season. Sawyer's INT tied him for 5th place (with 10 others) on the FSU single season interception list.

*** The interception by Sawyer was the first pickoff by a Seminole since the Miami game when, yes Sawyer, had an interception in the second half.

*** Clifton Abraham's interception was his first of the 1992 season.

*** Seminole trainers report no significant injuries in the game. Dan Footman had a slight back sprain and William Floyd bruised an elbow early in the game, but returned.

*** Quotes from FSU Head Coach Bobby Bowden:

"We were glad to get out of here alive. It's great to get out of here with a win. Our defense just got stronger and stronger and stronger. That was really the key to the win. If their offense had gotten better like our defense, I believe they would have beaten us. We had plenty of chances to wrap this thing up and we didn't. I think that's the most frustrating thing in coaching. You get to the one foot line and fumble on first down. It's great to win this ACC Championship, but remember this is our first year and we don't know what it's like not to win it. We will probably appreciate it more the first time we don't win it. It's like I said, something has to hit you over the head. Boy, I'm really thankful for the championship though, and I know my kids are thankful. They talked about it all week and that really helped us. I'm happy we didn't have to play Virginia tonight with Kirby in there, although No. 22 did a great job. I thought Charlie was the difference for us again once we got him into the shotgun. We really played some tough teams on the road this year and every Saturday, these teams are out to get us. I'll tell you right now, we are proud to be in this conference. We have struggled all year. People said we would dominate the ACC. The days of people dominating are over. "

VIRGINIA COACH GEORGE WELSH

(On problems passing) They ~~g~~ get a good pass rush and they use a lot of different combinations. Nobody else has been able to pass the ball against them either.

We played the best defensive team in the conference. I think we ran the ball pretty well, but we needed to have one or two more things happen and they didn't.

I don't want to put all the blame on the offense. We let them off the hook a lot. We gave up a lot of big plays.

I think we played the game ~~in~~ the way we wanted to. We didn't want to throw the ball too much. That wouldn't have been a good idea. But if we get that touchdown in the third quarter, then maybe it's a different ball game.

(On Florida State's Charlie Ward) I think the coaches are going to have to go back to the drawing board to play a quarterback like that. He's a Randall~~is~~ Cunningham-type player. Then they spread you out, and they're using two backs now. I think that makes them a better running team. Pro teams would play man-to-man defense against him, but most college teams play zone. We played our ~~normal~~ usual zone defenses tonight.

More Florida State Notes ...

*** To celebrate the Seminoles first ACC Championship, champagne was supplied in the lockerroom -- the champagne was NON-ALCOHOLIC!

*** As promised, Seminole running back coach Billy Sexton allowed the players to shave his head following the game. Sexton told the running backs after the Miami game that he would shave his head if they won the conference title.
