NOTES & QUOTES -- Florida State vs. Maryland

*** With 478 yards of total offense today (395 passing, 83 rushing), Charlie Ward accumulated the second-highest total in FSU history. He was just 12 yards short of the total offense record set by Bill Cappleman vs. Memphis State in 1969 (490 total yards -- 508 passing, -18 rushing).

*** Ward's total of 395 yards passing is the 6th best passing day (yardage) in FSU history and the top total since Peter Tom Willis threw for 422 yards in the Fiesta Bowl after the 1989 season.

*** Ward's 26 pass completions tie for 8th on the single game pass completions list. It is the most completions by one QB since Danny McManus completed 28 against Nebraska in the 1988 Fiesta Bowl.

*** Clyde Allen's 84-yard run in the third quarter is the longest non-touchdown run from scrimmage in school history. It broke the record of 78 yards, which was set by LeRoy Butler in 1988 vs. Clemson on the ~~XXXXXX~~ infamous "puntooskie" play.

*** Charlie Ward established career highs for total offense, passing yards, completions and touchdown passes. And...he didn't throw an interception for the second consecutive game.

*** Ward now ranks: 5th on the single season offense charts (2,457 yards), seventh on the passing yardage list (2,096) and 6th on the touchdown passes for a single season listing (17). He is just behind Casey Weldon's 1991 total of 2,497 total offense yards with two games yet to play.

*** Charlie Ward's total of 478 yards of total offense is an Atlantic Coast Conference record FOR A JUNIOR. The old record was 414 yards by Ben Bennett of Duke vs. Wake Forest (11/6/82). The overall record (for all classes) is 537 by Shane Montgomery of N.C. State vs. Duke (11/11/89).

*** Florida State's total offense total for today set both school and ACC records. The old school record was 706 total yards (vs. East Carolina 10/16/82) while the conference record was 802 total yards (by Maryland vs. Virginia 11/22/75).

*** Florida State also set school and ACC records for first downs in a game with 40. The old records: for FSU 36 (vs. East Carolina, 9/20/80), for the ACC, 38 (by Wake Forest vs. Tulsa, 10/16/71).

*** Florida State's average of 9.2 yards per rush is an ACC record. The old record was 8.7 by Maryland vs. Virginia (11/22/75). FSU had 43 rushes for a net of 396 yards.

*** QUOTES from Florida State Head Coach Bobby Bowden:

"We really put everything together today. They just couldn't catch Charlie. We finally threw the ball well, ran the ball well and caught the ball well. And we did it all on the same day. We were just too much for Maryland. We've got too much speed for them. Their coach will solve that problem though. I'm sure he'll get out and get some speed. We were just so hot today. It was definitely all coming together today. If we could do it like this every Saturday, nobody would beat us. I don't know if this was just a one day thing or not. I hope it was one of those 'to be continued' things. Charlie threw the ball so well today. He knew where he wanted to go with it, and then put it there. His ability is innate, whatever that means. He's got amazing instincts. You can see why we were so excited about him in the preseason. It made me feel good to get some of the reserves in there. Old Clyde Allen played good. He's a great kid and I was glad to see it." ~~XXXXXXXXXX~~

*** It was the most points scored against Maryland since 1913 when Navy beat the Terps 76-0.
