NOTES & QUOTES -- Florida State vs. Tulane

*** Florida State scored ~~XXXXXXXX~~ 70 or more points for the fourth time under head coach Bobby Bowden. The last time FSU tallied 70+ points was 1990 against Cincinnati in a 70-21 win.

*** Charlie Ward's four touchdown passes today give him 21 on the season to move him into fifth place on the FSU single season list, just one behind Casey Weldon's total for 1991 and two behind Gary Huff's 23 from 1971.

*** Corey Sawyer is also climbing the FSU charts. His seventh interception of the season ties him for fourth place on the FSU single season list with LeRoy Butler (1989).

*** Florida State scored touchdowns five different ways today -- rushing (2), passing (5), punt return, kickoff return and interception return. The Seminoles did not score via a fumble recovery and return -- possibly the only way they missed scoring a touchdown.

*** Florida State Head Coach Bobby Bowden:

"This was another game where everything clicked. The offense played well. The defense played well. I really think the defense caused the rout. Last week it was pure offense. This week the defense set up a lot of scores. This week was a lot different. I kept looking up and seeing points on the board, but not much offensive yardage. Tulane was really out-manned, more so than any Tulane team I can remember. I'm sure Buddy Teevens will get his players in there and turn that thing around. Tulane has been a beat up football team this year. It was really tough holding the score down. I've got a feeling that the "fast break" offense is our style. We have gradually moved more and more into the shotgun and it looks like our thing. It is the personality of this team. For the last two weeks things have begun to break favorably for us in the polls. Naturally, I hope everybody ahead of us loses, except Alabama of course. Ha ha. I guess I'm biased, but I think we should move up. I know an undefeated team is hard to jump. Our claim to fame is, we played Miami. All of those teams with zeros in the loss column have one thing in common. None of them have played Miami. I must not be very smart, I keep playing them. We're looking forward to working on our plan for Florida. A lot of things we did today against Tulane, you can't do against Florida. A lot of it was to give them something to think about."

*** Tulane Head Coach Buddy Teevens:

"Now I know what Custer felt like, except he didn't have to watch game film. FSU is a terrific team with lots of speed. We were banged up and didn't have a lot of depth. We have a lot of work to do, now that we know what it takes to play at this level. Our guys did the best they can, they played hard for 60 minutes. FSU played extremely well. We were missing some key people, but Florida State is an outstanding football team. Charlie Ward has the mobility and accuracy and can really make things happen. I respect the way FSU played. They played well, they played hard and they were doing their thing. They were not trying to run up the score, they just dominated every phase of the game. Better days are ahead for Tulane football. Billy Duncan will start at quarterback for us next week."

*** Tulane Player Quotes:

Billy Duncan, QB -- "Florida State is a good team. They have speed, toughness and quickness. They are loaded with talent and have a legitimate chance at a national championship. They are the best team we played this season. Their defense dominated. I was happy to get in their and play. The ankle injury has kept me out and I've been anxious to get back in. We're just gonna have to burn this game film and get ready for LSU."

Mike Stade, FS -- "They are loaded with great athletes. Their shotgun, hurry-up offense created a lot of problems for us. With the no huddle, we couldn't get the defense we needed and they were hitting the underneath passes and we just couldn't adjust. They threw and ran at will against us. I'm disappointed with our defense, we'll

Just have to do better."
