\*\*\* Devin Bush's interception was the first of his career. He also scored for the first time in his career. The Miami native missed last week's game with a deep charley horse in his thigh and it was not known how much of today's game he could play.

\*\*\* FSU's total of 28 points is the highest the Seminoles have scored against Miami since 1984, when the Seminoles won 38-3 in Miami.

\*\*\* Miami's first quarter TD broke a string of seven straight scoreless quarters by the FSU defense, dating back to the first quarter of the North Carolina game.

\*\*\* Charlie Ward's 72-yard completion to Matt Frier was the longest of his career.

\*\*\* Florida State extends its winning streak to 13 games with today's win.

#### \*\*\* Miami Player Quotes:

Terris Harris, DB -- "We gave up too many big plays early and kind of got out of our game plan. We were able to settle down and shut them down in the second and third quarters. But we missed too many tackles down the stretch. You can't do that against a good team like Florida State and expect to win."

Chris T. Jones, WR -- "They didn't show us anything different than we had prepared for. We just didn't execute well enough to put points on the board. They were just the better team today. Ward is a great quarterback and was a big factor in today's game. We gave it our all, but they won the game and deserved it."

\*\*\* Miami Head Coach Dennis Erickson's Quotes:

"They made big plays, then they got that run, then Charlie made that great thrown on the streak in the first half. Then you've got of course the interception at the end. Obviously, he's everything they said he is. He's phenomenal, he made the plays and he's the difference in the football game.

"I'd like to congratulate Bobby and Florida State. They've got a great football team. I'm proud of our guys, I thought they played hard. You just can't give up plays. All I can do is congratulate them, our guys will come back we've got a long year left -- 6 football games, the Big East and our goal is to win 10 football games so we'll see what happens. We'll improve every week, we've got work to do. I'm proud of our football team.

"Offensively, we had our chances, but we were unable to take advantage. You have to against this team. They are a good offensive team. They have the weapons and # 28 certainly is a player. I thought Frank (Costa) played well. I have to give their defense credit. They were able to keep us from putting a lot of points on the board."

\*\*\* MORE Miami Player Quotes -- Miami RB Donnell Bennett

"I still don't think they're No. 1. I think we are. Today, they just proved that they're good. I'm a true Hurricane. I bleed orange and green, and I believe we can still win the national championship."
