FLORIDA STATE QUOTES -- and N.C. State Q@uotes

FSU Head Coach Bobby Bowden:

"We really played better tonight than I thought we would. I think our kids got a big lift from the Notre Dame score. Last week's game took so much out of us and I knew we were playing a good solid football team tonight. The score at Notre Dame gave us enthusia-sm. We played with great enthusiasm tonight. We knew there were three peaks on our schedule before the season. --- Miami, Notre Dame and Florida. Now we've got to go down and win at Florida. They'll be every bit as tough as playing Notre Dame at Notre Dame. They've never lost there under Spurrier. I thought Charlie played well again. He's just an amazing quarterback and a great leader. We had to throw a lot tonight because they blitzed all night long. I don'-t care if we are No. 1 or No. 2 i-n the polls this week. I'll be surprised and disappointed if we're not one of the top 2. I just want to play in a championship game. If we don't beat Florida, we won't get there. I think everyone of our seniors scored tonight and that ma-kes for a nice last game.(home).

FSU Players

Matt Frier, WR -- "When I asked for a chance. I said give us a shot a-t No. 2, well, we've proved we deserved it against a good N.C. State team. Now we have to go to Gainesville. If we can prove it there, there will be no doubt that we kept up our end of the deal.

Charlie Ward, QB -- "We were inspired. We knew what we had to come out and do and we did it. Our guys came to play. I'm happy we got the opportunity and we did the job. We did a great job of everything. We were able to do pretty much what we wanted to do. (About his last home game) I'm happy that I went out and played well, some people get emotional about thjose things, but to me it's just another game.
~~xxxxxx~~

Corey Sawyer, CB -- "The defensive effort was- A-plus. We stopped the rush, that's what we had to do. We studied the film this week and our defense was ready to play. We had something to play for. We wanted to let everybody know, we are still for real. (On his returns) "It feels good to get a chance to return and to get it in this type of game, when everybody thought we would be down.

N.C. State Head Coach Mike O'Cain

"We knew we had to play perfect and the turnovers really hurt us. You can't turn it over against a poor team, let alone the No. 2 team inthe country. We played a great football team tonight. I've never wseen a football team as good. Nobody has the skill players or the speed that they have. To play the schedule that they've played and have the record they have, I think that they are the No. 1 team in the country. I think they felt like they made a statement and in my eyes they did."

N.C. State Cornerback Dwayne Washington

"We didn't get off to a real good start. The early turnovers wreally hurt. Charlie- Ward is the best quarterback I've every seen. He can step up in the pocket He can scramble. He looks off his receivers well and he's got a very good arm. No doubt about it -- they are the No. 1 team in the country. That was a tough loss last week, but they are still No. 1. I think they were trying to make a statement to voters, but they weren't trying to run up the score. They weren't doing any-thing special at the end. We just could not stop them.
