## FLORIDA STATE QUOTES

Head Coach Bobby Bowden

"The ball game went like I thought it would go up until our first TD in the third quarter. I thought we would open it up at that point but they came back on us. North Carolina did a heck of a job on us. The level of our competition really stepped up tonight.

"How good are we? I think it depends on them. If North Carolina is a real good football team, and I think they are, we've got a chance.

"Too many mistakes. Last game it was defensive penalties, this week it was offensive. Until we eliminate mistakes we'll lose close ballgames.

"I was very impressed with North Carolina. Stanicek was just outstanding. I'm amazed he can play a whole game the way he does."

Warrick Dunn

"I thought we play a good first half, but got a little sloppy in the second. We probably would have lost, this was a total team effort. We have to quit making mistakes."

Derrick Alexander

"This was definitely the best our defense has played this year. We made some mistakes, but we made up for them. There was a couple of times we had our backs to the wall, but it just came down to determination."

## NORTH CAROLINA QUOTES

Head Coach Mack Brown

"I'm really proud of our football team. We played one of the best teams in the country. There were some plays we had to make and we did not make them. I was so proud that when we got down we did not quit.

"We got back into the ballgame in the third quarter. But when we get a turnover inside the 10 we've got to score. They're a great football team and we're playin thme on the road. Concerned about the youth of our football team and the inexperience. I thought they handled the situation with class.

"I think we can be a really good football team before the year is over before we stop making the mistakes. Of course, Florida State can cause you to make mistakes. "The thing we have got to fight is that we spent so much emotion tonight. Now we've got to get ready to go to Dallas to play SMU.

"I thought there were a lot of close calls, but I dn't want to comment until I see the film. Then we will follow proper procedure if needed. Ireally can't say anything. I want to coach next week.

"I thought Stanicek played a great, great football team. His stats might not show it, but he played great."
