FLORIDA STATE PLAYER QUOTES VS. GEORGIA TECH

WARRICK DUNN

(On his TD) "There were great blocks downfield by the wide receivers. I made a cut off a block by Pooh Bear, a broken arm tackle and then it was just a footrace.

"We started off really cold in the first quarter like the weather. Penalties really held us back. We started to click in the second quarter. Lamont Green's touchdown really gave us some momentum."

THAD BUSBY

"I thought the offense struggled quite a bit tonight. I was really just a matter of us hurting ourselves. We had too many turnovers and too many penalties to sustain anything consistently. It wasn't so much their defense. We knew what they were going to do but we stopped ourselves.

(On left wrist injury) "The injury bothered me. I probably thought about it too much. It was hard to take snaps from center and also to hold on to the ball."

PETER BOULWARE

"On the blocked punt) We worked on it all week. We thought that we might be able to get one tonight and we did. Lamont Green got a good inside rush and that freed me up on the outside. Fortunately, I got to it."

"It was a very solid effort, but we still have some things we can improve on if we want to get to our ultimate goal. We need to keep improving each week until the end of the season."

NOTING THE RAMBLING WRECK

Free safety Brian Wilkins tied the Georgia Tech record with three interceptions. The record was previously set by five players, most recently by Ken Swilling against Boston College in 1989. Other players with three interceptions in a game are Randy Rhino vs. Rice, 1972; Bubba Hoats vs. Georgia, 1969; Bobby Moorhead vs. Auburn in 1952 and Howard Ector vs. Vanderbilt in 1937.

Wilkins now has four interceptions in the last two games after picking off his first pass last week against Central Florida.

Brad Chambers has now hit seven straight field goals, all seven field goals he has attempted in his career. The school record for consecutive field goals is nine by David Bell in 1985-86.

Harvey Middleton extended his streak of consecutive games with at least one reception to 26 straight games. With a reception in Tech's next game, he will tie the school record of 27, set by Robert Lavette over the 1981-83 seasons.

Tonight's attendance of 46,311 is the largest crowd at Bobby Dodd Stadium/Grant Field in its present configuration since the South Stands were removed following the 1985 season. The previous high was 46,226 for the 1992 Florida State game.

Georgia Tech vs. Florida State
Bobby Bowden Quotes

The Difference Between the Teams:

"I was very afraid of playing Georgia Tech on the road. We just finally wore them down. I watched them play, and they never substituted. We played 25 people on defense in the first quarter and probably 17 on offense. They just don't have the depth, and we wore them down."

On the Defense:

"Our defense has definitely been the main aspect of our team this year because so many times our offense has got off to a sputtering start, and the defense has saved us. That is what happened tonight."

On the Intensity at the Start of the Game:

"I think we were inspired to play because we wouldn't have held them to only 3 points if we weren't inspired. Our offense did not look like they were all that intense."

On Lamont Green's Interception:

"That was a big one. I told our team that they would come out with a lot of enthusiasm and that we would have to take it away and that would have to come with a big play. Then, they came out with a big play and they got more excited. We got that play(interception) and that put the momentum back in our pocket. That is how big it was."

This Year's Defense Compared with the Best Ever:

"It is comparable. The season is not over yet. At the end of the season, we'll see where it is. Right now, you'd have to say it is comparable."

On The Effect of the First Interception:

"I didn't think it would snowball but I hoped it would. The interception put us ahead and took our neck out of a noose. Then, Dunn makes his big run. And now with 14 points and the way your defense has been playing, you think you might be in pretty good shape."
