COACH TOMMY WEST OF CLEMSON

~~We're~~ We're a very disappointed football team ~~in~~ right now. You hate to put yourselves in the position that we put ourselves in. We have the fight ~~and~~ and effort and hustle. But ~~what~~ our football team is past that of playing hard and those kind of things...if you don't commit a turnover, then they don't get the ball, and that happened, and they got another one on the punt return...we gave them two big plays. We ~~gave~~ gave them things that we didn't want to.

It was really hard to call the game offensively with Nealon in there because there were certain things that he obviously couldn't do...that we were limited in...and of course, that's the reason he didn't start the game. But this was a very gutsy performance by him, but there were things we could not do.

We knew that if we had to go to the running game with Nealon in there that it would be some tough times. We couldn't ~~springload him~~ sprint out with him and the first time we tried it, he was sacked. He had a hard time getting ~~away from~~ away from people...he was ^{not} quite ready, but he performed very well under the conditions.

We made the decision in the locker room after we warmed up that we would start Brandon (Streeter). I talked to Nealon and decided that we would go with Brandon, and that if the occasion came up where we had to go with Nealon we would.

Brandon was excited about starting, he welcomed the opportunity. And I thought he gave a performance well worth the effort. We had some things we wanted to do if Nealon was in the game, but knowing all week that Nealon might ^(NOT) be able to go, that we had things prepared that Brandon could do.

FLORIDA STATE VS. CLEMSON
SEPTEMBER 20, 1997
QUOTES

BOBBY BOWDEN
FLORIDA STATE HEAD COACH

"I think Clemson is closing the gap. This was significant for the conference. I don't think we're going down, they're coming up. I always said in preseason, that Clemson was the darkhorse. I was concerned about their offensive line. We finally got to him (quarterback), but it's probably because they got tired. Had we not been able to throw and catch today so well, we would have lost. What you had today was a couple of breaks for us and we could bust it open. Of course, it was the same way for them, a couple of breaks for them and they busted out. We were lucky to win. I was very impressed with Clemson.

"I never felt like we had it won, they kept coming back and fighting back. The sack on the three-yard line that pushed them back to a passing situation was big. Greene was very courageous. I thought all of them (Clemson) were very courageous. This team (Clemson) reminds me of playing the Danny Ford team. They'll fight and scratch and claw all the way."

"Our running game is very weak. We've got an offensive line, we're trying to baby feed; all freshmen tailbacks, except Feaster and he gets hurt -- the combination is just not good."

"Clemson played a great ball game and I thought Tommy West and his staff did a great job."

Daryl Bush

"One of the main reasons a lot of our guys come to Florida State is to play for a great man like Coach Bowden and I'm glad I could be a part of something special with him getting his 200th win (at FSU) today. He is a great teacher and a great leader."

"It was a real fight, a total dog fight out there. These kind of games are good for us, provided we win, because they will help us out when we are in tough situations down the road. The defense showed a lot of maturity to be able to come through at the end of the game."

Andre Wadsworth

"Clemson fought us tough today and you have to give them a lot of credit. They really took it to us. We faced a lot of adversity out there today, but it says a lot about our team that we were able to overcome it. We never gave up and that's very encouraging for a young team."

Peter Warrick

"We didn't start out very well. They got ahead early, but a great football team will fight and come back and that is what we did. It feels great to play like this, but I did make some mistakes that hurt us. I fumbled once and that led to one of their touchdowns, but I was able to come back and catch that first long TD pass. Later on, I dropped a sure long one but I made up for it when I scored on the punt."
