### **QUOTES**

#### **SAM COWART**

"The defense came out tonight and played great as a unit. We wanted to show the country which team had the better defense and I think we proved it tonight. We wanted to jump on them early and not let them have early success and we accomplished that. Our secondary really stepped up and played well, but they got a lot of help from our pass rush. Andre (Wadsworth), Greg (Spires) and Tony (Bryant) were outstanding putting pressure on them all night. We need to keep on playing like this the rest of the way and we'll be able to accomplish our goals."

#### **THAD BUSBY**

"We had to come in here and execute against a great defense. We had some mistakes, but tried to minimize them. I think we did that. We did what we had to do to get down the field and score. In the second half, we wanted to hold back a little and burn time off the clock. Overall, I think we did a great job as a team. Our defense played its best all season and we didn't let up."

#### **DARYL BUSH**

"I think they're (UNC) on the right track. They've got the depth and the coaches to get there. We were a couple of steps ahead of them tonight. Our goal is to play in the Orange Bowl, but we have two good opponents ahead of us. They (UNC) tried a couple different things, but we shut them down well tonight. We (the defense) have a lot of pride in keeping people out of our endzone. A few too many have gotten into our endzone the past few weeks. I think we rectified that tonight."

#### **ANDRE WADSWORTH**

"We control if we win or lose. After the first half, we wanted to keep it pumped up. They (UNC) say that they're a second half team, so we went back out treating it like it was zero-zero. I think the pressure was more on them tonight. We are used to the big games. In fact, we have one in two weeks. Their defense definitely wanted it, but our offense wanted it more."

#### **BOBBY BOWDEN**

"It wasn't easy. Our defense was challenged. They (UNC) are on the right road. What I thought would happen, happened. They (UNC) haven't had enough Wide Rights yet. You have to get kicked around enough in big games, to learn how to win them. Our defense continues to improve and our running game continues to improve and that is the key. The defense played a 60-minute game. We had questions, after what happened against Duke and NC State, but we played 60 minutes of defensive football tonight. We were cautious in the second half offensively, with the defense playing so well. Our thinking was just, "let's don't give it away." North Carolina has an excellent program and coaching staff. We had every psychological advantage. We've got another "big game" in two weeks."
