**COLLEGE FOOTBALL'S FIRST UNIFIED NATIONAL CHAMPIONSHIP**

<b>Offensive Player of the Game:</b>	Tennessee WR Peerless Price
<b>Defensive Player of the Game:</b>	Tennessee CB Dwayne Goodrich
<b>Art Bodine Sportsmanship Award:</b>	Florida State OT Ross Brannon

**QUOTE FROM TENNESSEE HEAD COACH PHILLIP FULMER:** "This group has found a way to win games throughout the year and they did that tonight. It been 47 years since Tennessee football has got one of these (national championship) home. And we have a special place for it. This football team is one that believes it could get it done. We worked hard tonight and we got it done."

**QUOTE FROM TENNESSEE WR PEERLESS PRICE:** "Nobody believed but us. I bet you all didn't even believe in us. It feels so good. I'm happy to be able to make some plays for my team. It just feels good. Real good."

**TOMORROW'S PRESS CONFERENCE:** Tennessee Head Coach Phillip Fulmer will be available to the media at tomorrow's 9:00 a.m. press conference at the Tempe Mission Palms.

**TONIGHT'S ATTENDANCE:** Tonight's attendance of 84,470 is a Tostitos Fiesta Bowl record, surpassing the previous high of 79,864 on Jan. 2, 1996 when Nebraska defeated Florida, 62-24, for the national championship.

**PRICELESS EFFORT:** After catching four passes for a career-high 199 yards tonight, Tennessee wide receiver Peerless Price set the following Tostitos Fiesta Bowl individual game records:

**New Record**

79-yard reception (touchdown)

49.7-yards per catch average

**Previous Record**

77, Darnell McDonald from Michael Bishop

Kansas State vs. Syracuse, 1997

34.3, Ron Beverly

Arizona State vs. Missouri

Price's 199 receiving yards set a Tennessee bowl game record and rank second in Tostitos Fiesta Bowl history behind Kansas State's Darnell McDonald, who had 206 yards in last year's game against Syracuse...it is also the most receiving yards against a Florida State defense in a bowl game...in NCAA bowl game history, his 49.7 yards per reception (minimum three) rank second and his receiving yards rank 10th.

**EIGHT IS ENOUGH:** The missed 33-yard field goal attempt by Tennessee kicker Jeff Hall in the first quarter snapped a personal streak of eight consecutive attempts...Hall also made 11 of his last 12 attempts entering tonight's game and was 13 of 14 within 40 yards for the season...the missed field goal was Hall's shortest failed attempt this season.

**MISSED OPPORTUNITY:** Florida State kicker Sebastian Janikowski's missed PAT attempt in the second quarter was his second of the season...entering tonight's game, Janikowski connected on 42 of 43 extra points this season and was 79 for 82 for his career.

**RETURNING FOR DUTY:** Peter Warrick's 51-yard punt return tonight in the second quarter was a Florida State team season high, surpassing the previous best of 41 yards also set by Warrick in the Seminoles' 62-13 win against Duke on Sept. 19.

**OUT OF ACTION:** Side Judge Colin McDermott was replaced in the second half tonight by alternate Dave Cutaia after suffering a ruptured tendon in his right calf...for the second half, Tennessee lost defensive tackle Ron Green with a knee injury and cornerback Dwayne Goodrich with an injured left ankle...Florida State offensive tackle Jerry Carmichael left the game in the third quarter with a knee injury.

**FLAG CRAZY:** Florida State's 12 penalties tied for second in Tostitos Fiesta Bowl history while their for 110 yards penalized ranked third...the Seminoles led the Atlantic Coast Conference this season by averaging a league-high 87 yards per game in penalties.

**CAREER HIGH FOR DUGAN:** Florida State wide receiver Ron Dugan's 135 yards receiving tonight was a career high.

An interview with:

## THE TENNESSEE VOLUNTEERS

Q. Could you talk about the touchdown pass, you hadn't converted a third down all night. What was the situation? What was the call?

TEE MARTIN: The last drive?

Q. Last touchdown pass to *Peerless*.

TEE MARTIN: The game plan coming in was to be aggressive and play smart. Early on we came out aggressive, I felt. Made some great calls in the passing games. I made a few mistakes from some interceptions. I learned from those mistakes. Coach gave me another chance to do it again. I appreciate that from him in having the confidence to go out and do it one more time.

I gave *Peerless* another chance to come through for us, and he did; got a touchdown.

Q. It was evident that you seemed to be a little more aggressive on offense. Was that Randy Sanders' influence or the way the game was going?

TEE MARTIN: Randy Sanders and the players also. *Florida State*, for the last game, all the marbles, what can we lose? If you go down shooting all your guns, you feel good about yourself. If you feel something that you could have let go, you feel bad about yourself. If it didn't work, we'd try to do it again next year.

It came through for the best.

Q. Tee, certainly seemed to be quite a defensive game the whole time. Were you thinking about that? Did you change your offense because of that?

TEE MARTIN: We didn't change the offense. We kept the same basic game plan that we had going into the football game. The defense did a good job of slowing down our running game.

When we got ahead 14 to nothing. I went down the sidelines telling everybody, Don't get happy, complacent because we're 14 points up.

I'm glad everybody had that in their minds because *Florida State* came back and scored some points, scored off of one of my mistakes, the interception; put them in a good range to score some points.

We knew even though we were ahead, we had to keep going on going, score more points; make it a good fourth quarter game.

Q. The BCS has been criticized this year. What does it mean to win the National Championship under this format?

TEE MARTIN: It feels good. The whole season we didn't really pay much attention to the BCS, really. We were trying to focus on if we won every football game, we would be in the best Bowl of the year. If we won convincingly, we'd be in this football game.

We didn't pay much attention to the BCS polls. It feels good. I think we'll go down in history. It feels good to have won the first one.

DRAFT VERSION

Q. Can you talk about *Peerless* and the two plays, just what he's meant to the team?

TEE MARTIN: This whole season, even coming to the summertime, we knew he was a big play time. Everybody who left last year, he had one year to prove himself as an established receiver.

Myself, coming in as a younger quarterback, I knew I had to go to somebody, I had to depend on somebody. Working out this summer, worked out maybe four, five times a week, I knew him. Knew how he think. I knew if we give him a chance with the football, he'd come down with it.

That's pretty much how it's been the whole season with *Peerless*.

Q. Could you talk about what happened on the interception?

DWAYNE GOODRICH: *Deon* said he knew he'd move the top. I knew I just had to try to make a play. The ball kind of floated out there. I had to try to make a play on the ball.

Q. Talk about the completion to

...when all is said, we're done®

Bryson.

TEE MARTIN: That's a great call by Coach. Actually, I was surprised to get a pass call when it was that close. What better guy to call it than *Shawn Bryson*. We knew they was going to try to rush up field, pack their linebackers to stop it. It was a great call by Coach.

We had to execute. He was so wide open. I had to make sure I didn't over- or underthrow. He caught the ball to make the best of it.

Q. Could you talk about being the Defensive Player of the Game, the extent of your injury?

DWAYNE GOODRICH: I mean, it's kind of a great feeling. You dream of this as a little kid growing up. Me being a defensive back, interception for a touchdown in a National Championship Game, that's like every defensive back's dream. I'm happy my dream came through.

I didn't care about MVP. I just wanted to go out and help my team win the game.

Q. Getting back to your interception, was it a case of you playing aggressive or was it just a bad throw? It seemed to hit you in the numbers.

DWAYNE GOODRICH: It was a case of me playing aggressive. A little of both, to be honest. The ball kind of floated out there, but I still had to make a great play on the ball.

Q. There was a lot of false starts, procedure-type penalties. What was going on down there?

TEE MARTIN: People not hearing. Me, I had to do some checking early on in the football game. We had to change that ahead of time. I was kind of saying stuff too hard. All of a sudden, everybody is in motion, jumping around, ready to do it. I just had to ease my words out a little bit more later on in the football game. You say something hard on the count, they're ready to shoot off.

I think it was the same for *Florida State*, too.

Q. Did the receiver tip off his pattern at all on the interception?

DWAYNE GOODRICH: Not really. We studied film all throughout the three weeks that we prepared for the game. We kind of anticipated what they were about to run; so it was just a matter of

just putting the pieces together. I kind of figured they were about to run the out route. I knew just to sit on the route.

Q. Were you surprised by the number of penalties that *Florida State* had the whole night?

TEE MARTIN: Not really. I didn't really pay attention when they were on the field. I was really talking to Coach on the phone, really didn't keep up with the penalties on the field until maybe the third or fourth quarter. I'm not sure how many they had.

Q. How about the underdog role? Earlier you said it was putting wood to the fire.

TEE MARTIN: That's how we felt. We had a chip on our shoulder because of that. We were 12-0, won all of our football games, defending for the second year in a row. We don't get our respect. After winning the National Championship, that's grounds for getting the respect.

Q. Can you recap your emotions, how gratifying it was now that it's complete?

TEE MARTIN: It feels good right now. You win the National Championship -- I'm kind of tired, out of it really. But I'm happy that we won. I got hit kind of hard early in the third quarter. Trying to get back to myself. Feels good wining the game.

Q. On the play where you got injured, what happened on that? How is your ankle?

DWAYNE GOODRICH: I mean, it was he fell on my ankle. We kind of fell down together. Kind of rolled up on it. It's a deep bruise; so it will be fine. It will be fine.

Q. Do you feel like you played the No. 2 team in the nation tonight?

TEE MARTIN: Yeah.

Q. Congratulations on the No. 1 victory.

TEE MARTIN: Thank you.

Q. The game was kind of rugged at first, kind of rough. Do you attribute that to you guys had some 30 days off, they had 44 days off? Do you attribute that to the sloppy

## DRAFT VERSION

play early?

TEE MARTIN: I don't think it was sloppy game. That's what you get when you play a great offense against a great defense. Our defense came in to play a great game. Both offenses played pretty good. That's really what you get. A lot of guys making mistakes. You want to capitalize off those mistakes.

I don't think it was sloppy play. They had great players. We had great players.

Q. Can you talk about your two long catches?

PEERLESS PRICE: The first one in the first quarter. It was we felt like the DV was sitting on our route. We felt they could get them on a stop and go.

Tee threw it out there. I did the easy part. I ran under it. I feel kind of bad because the guy caught me (laughter).

Q. Talk about the number of players that got injured. They left, you had guys step up tonight big time.

PEERLESS PRICE: We had a lot of guys step up tonight. But we've been having that throughout the whole season. Guys went down, key guys; we had guys step in. *Jamal* went down. We had both backs, *Travis Henry*, step in. *Al* has been hurt, *Chris* stepped up.

We have a whole slew of guys who compete just as hard as the starters, probably could start anywhere else in the country.

WAYNE GOODRICH: *Tennessee* recruits the Top 5 recruiting classes every year. You know when somebody goes down, bound for somebody to step up and make plays.

Q. Can you talk about that last touchdown, longest play of the year? Couldn't come at a better time.

PEERLESS PRICE: I just felt like my team needed a big play. We needed another score because we knew those guys' offense was going to get going. The coach gave me a great opportunity: A straight go route, and I beat the DV, took it the distance. I made sure they wasn't going to catch me that time.

Q. After Tee's interception, did you get a sense of nerves?

PEERLESS PRICE: He was completely confident. He put things behind him all year. Just

made a good play. Once he threw the interception, we told him to put it in the back of his mind. That's what he did. He stepped up; made a play for us in the ballgame.

Q. Did you feel like you had to outplay Warwick tonight, even though you didn't play against him?

PEERLESS PRICE: I didn't feel that way. I felt like I had to go out there and play my game, help make some plays for my team to win.

COACH FULMER: I'm sure these two guys have answered all your questions so far.

All year long we've been called a team of destiny, and this team took heart in that, I believe. During the course of the year, they did everything they had to do to win.

It wasn't always perfect; it wasn't always the prettiest. But they found a way to get it done. I think that says an awful lot about the character. The leadership of the football team, starting with our seniors and captains, and permeates really through the team.

The staff has been incredible, particularly with some of the adversities that we've had here this last month, losing our outstanding offensive coordinator, *David*. But Randy Sanders stepped up big, and the offensive staff stepped up big.

The defense did an incredible job, as they have all year long.

Going into the game, we knew we had to somewhat control the line of scrimmage on both sides, not let their defensive front just disrupt everything we're doing. We didn't run the ball great, but they didn't disrupt us either. Gave our opportunities players to make great plays: Tee getting it out there; Peerless make the plays. That's kind of been the story all year long.

We're very honored to be a part of history as the first National Champion of the unified BCS. Set history at *Tennessee* at 13-0. We've never done that at *Tennessee*. It's very special to us.

Just a great, great effort by a lot of people, special thanks to our fans who have traveled all the way out here to support us. I'll answer your questions and quit babbling.

Q. In what is becoming a defensive game, were you set to change your offense at all?

COACH FULMER: No. Actually, we were not going to change too much of anything. We

DRAFT VERSION

...when all is said, we're done®

were not going to let *Florida State's* defensive front take over the game, and they can. They have all year long.

We knew we had to be patient. We knew there were some plays to be made. When you play that much man-to-man coverage, as we did. There's opportunities for big plays in the passing game.

Cornerbacks got it done on our side. *Peerless* got it done on our side for us.

Q. I would like to say I think *ESPN* may have been a little biased in the voting this year. Do you think that you could honestly say that they deserve your vote this time?

COACH FULMER: *ESPN*, I respect *ESPN*, they're good men; have rights to their points. I'm going to take the middle right road there, thank you.

Q. You've been an underdog all year. Coming into this game, you were an underdog to *Florida State* team. Does that make this win any more special?

COACH FULMER: That's the reason you play the game. You go out and you play every Saturday to see who is the best. Our kids have believed in themselves all year long, starting with *Syracuse*. We said we don't have to be the best team in the country. We just have to be the best team on the Saturdays on the Mondays that we play. That's the approach they took.

I don't think it's fair to compare this team with *Peyton Manning*. He got us off and running; helped us recruit this football team to *Peyton Manning*; got us over the hump. Then *Tee Martin* took over from there and the rest of the team. This could be our third time had we not had one or two losses earlier in the year.

You can look at it any way you want to. I look at the glass half full. We're a little short of two others.

Q. Can you talk about the fourth down play late in the game? Was that your call or *Sanders'* call?

COACH FULMER: That was the call that we all agreed upon. Actually, more the debate was about whether to try the long field goal and put them away. That wasn't really something that was discussed very long. A couple of options that we had, but that's a play that we've worked on all year long. It was a huge, huge play for us.

I think we had the first down without the penalty actually.

Q. *Peerless* talked a bit earlier, but can you talk to us about *Tee Martin* and his play, particularly how he came back after the interception?

COACH FULMER: Well, the interception wasn't the best of his plays for the year, but I think overall he played an outstanding game. A lot of times it takes more courage to throw it away than it does to try to force it.

You go all the way back to *Syracuse* game, *Florida* game, *Tee* has had the discipline to do that. We talk about game management. *Tee* knows how to manage a game. He gives you a threat as a runner. There was a guy that can break, contain, very difficult to defend.

As the season has gone on, he's gotten better and better. I wouldn't trade *Tee Martin* for anybody in the country.

Q. *Tee* talked about how you guys worked together so much during the summer. How much of a factor was that early on this year?

PEERLESS PRICE  
it was a huge factor. Anytime you compete to win a national championship, you expect a lot of your team. You got to go out

there and put the hard work in the summertime, in the springtime, or it won't carry over into the season. It was a huge part of what we did this year, also for the first three years we were here.

Q. The stakes in this game, the penalties, what do you attribute that to?

COACH FULMER: You know, the off-sides penalties, I don't know. We told our kids all week long, we don't want to give them anything. We helped them quite a bit there with down and distances by the jumping.

Kids were saying that the cadence or their cadence to shift on defense was very similar to our cadence. The noise factor made it hard on them. We haven't done that all year long.

They did it some. They had two or three of the same thing. You can understand aggressive penalties, but those kind drive you crazy, make you an old man quick.

Q. You and *Coach Bowden* talked about the big plays you'd have opportunities

for. Can you talk about the big plays you were able to pull them off and almost able to shut off *Peter Warwick* away from them?

COACH FULMER: *Peter Warwick* is one of the best players we've seen this year. Obviously, the reason that he's MVP, an awful lot of it. After he was hurt, our cornerback stepping up. We had a nice mix of zone and man-coverage, a nice mix of press and playing off, catch technique. A lot of different ways that we tried to keep him under somewhat control.

I don't know that it was *Peter Warwick* as much as the inexperience at quarterback that they had. They were put under some very difficult circumstances with a guy only having three starts to come in here and play the National Championship Game.

Our pressure up front, it all goes together. You can't have one without the other. The two times we didn't get a lot of great pressure. They completed long balls on us and changed field position. For the most part, our defensive front did a great job, and our secondary and linebackers did a great job of coverage.

Q. When you fumbled at your own 10-yard line, did any thoughts of the Arkansas game come to mind, maybe they owed you one?

COACH FULMER: Say that again.

Q. When you fumbled at your own 10-yard line, did any idea about the Arkansas game come up?

COACH FULMER: At the end of the game? I ain't thought of Arkansas since we played them (*laughter*), till you guys ask me about it.

No, I don't think so. That was a young back, using awful poor technique at a really crucial time. Wish it hadn't happened.

Those things have a way of evening themselves out over a period of time. I've always said that.

Q. Could you kind of describe *Peerless'* long touchdown pass and what it felt like to stand in front of that?

COACH FULMER: I was about stride for stride with him for a while (*laughter*). Not for very long, but for a while.

It was a great throw, great catch. We talk a lot about stretch catching, using your body. I felt the guy had pretty darn good coverage on it. Then

*Peyton -- Peerless* used his strength at the end to pull away from him. They caught him the first time on the first long one. He wasn't going to get caught again. I've never seen anybody catch *Peerless* from behind.

Great throw, great catch. A lot of technique that goes into that. The reason that he'll be a good one on Sunday someday.

Thank you, very much.

**January 4, 1999**

**1999 Tostitos Fiesta Bowl**  
Tempe, Arizona

An interview with:

**THE FLORIDA STATE  
SEMINOLES**

COACH BOWDEN: We congratulate the *University of Tennessee* for their National Championship that they deserve. They just made more big plays than we did tonight. They were able to get the ball to their threat. We had a hard time getting the ball to our threat. They deserve their win.

I don't know how much more I can say.

**Q. You had about two minutes left in the game, three time-outs. You were deep in your own end, decided to throw deep. With the three time-outs and time left, take us through that thought process.**

COACH BOWDEN: Threw deep or are you talking about the on-side kick?

**Q. Threw deep. Got intercepted.**

COACH BOWDEN: When we threw the interception, we thought that would be a pretty good call on an early down, a curl and go. Don't say it don't ever work because we got beat with that play last year by Florida. We didn't execute it.

**Q. Can you talk about *Peter Warwick* out of the game: One catch for seven yards; talk about what they did to take him out of the game?**

COACH BOWDEN: Well, they just did a good job. I think when they intercepted their pass for touchdown, it probably intimidated us a little bit.

They took him out. We tried to get the ball to him some, but we couldn't get it to him. They just did a heck of a job in that regard. That's why our other receiver was most valuable player on the other side. They did a good job taking him away.

**Q. This is not the kind of game you expected, was it, in terms of discipline and penalties, the way you got here this year?**

COACH BOWDEN: No, no. The discipline -- discipline wasn't very good. Discipline,

we mean little things. When we needed -- I thought a very big series in the game was when they were ahead of us maybe 14-9, and we had the ball down around their 40 or maybe around their 30, they ended up knocking us all the way back where we couldn't even try for a field goal. That was a very, very crucial thing.

But I thought momentum was creeping into our favor. We were a very rusty, rusty football team. But they were, too. Both of us laid off way too long. We laid off 40-something days. They played two weeks after us, I believe, but I'm talking about that that didn't help either one of us.

**Q. Do you feel that the growing frustration in the second half kind of took your team out of its game?**

COACH BOWDEN: What kind of frustration?

**Q. The frustration in general.**

COACH BOWDEN: I don't think so. It was played like a pro ballgame. I mean, we just kept hanging in there, hanging in there. They'd make a mistake, we'd get it, then we'd make

one back. We felt like turnovers were going to be such a big thing. Protecting the ball was going to be such a big thing. They probably protected it better than we did.

I don't guess they got as many penalties. Our penalties were probably more crucial than theirs. We just didn't look very good to me.

**Q. You had a lot of second and third chances in the second half to pull ahead; knocked out of field position by some costly penalties. Got the fumbles, turnovers. How frustrating was it on the sidelines?**

COACH BOWDEN: It was frustrating getting down there and having an opportunity to do it and not doing it. Then it was frustrating the way we came off of our goal line a lot.

Did we ever have good field position? Did we ever get the ball on their side of the 50 the second half of the game? If we did, I bet we scored. We were always backed up.

That's where they beat us. We backed them up, and they got out there twice. They beat us on that part. Doesn't take but one of those to
