North Carolina Head Coach John Bunting:

"I don't think the players gave in at all. That team we played has got some awesome players. They have the kind of players that I want to recruit. I've got a few like they have. We're working towards that goal. I'm not going to sit here and be discouraged. I'm going to look at the good things that we did and find some more of those things and find some more of those things on tape tomorrow and we're going to get better. I know we have a chance to get better this season and that is my goal for this team. "

"One of my biggest disappointments was seeing us not be able to match up with their speed on the perimeter. Their perimeter speed is fantastic and we just weren't able to make big tackles on the perimeter. We have to make a decision if we're going to put some younger players out there particularly on defense. We've got some younger players who can run but they also need to know what to do and sometimes that's the problem. The situation on the perimeter was one of the most glaring disappointments in our play tonight."

"I was very happy with Ronnie McGill. Ronnie McGill is going to be a good player. He's strong. He sees things. He's going to be a real strong player for us. He's going to have the chance to be a 1,000-yard rusher for us, which we would like to have. "

"The tape doesn't lie. We'll watch the tape tomorrow. I wanted everyone to make a total effort tonight. That will be evaluated but I do believe that we will play better and we will learn a little something from this. We have to find ways to make the plays. "

Post Game Quotes: Florida State Head Coach Bobby Bowden

Opening Statement

"That was a good win for us tonight – the most important thing was that we won the game, and the second most important thing was that we shut them out. We played a game last year where we had Iowa State down 31-0 at the half, and they came out in the second half and put up 31 points on us. I was afraid that might happen again, but our kids did not let that happen again, so I hope that shows you a different mentality and a different strain of leadership."

Q: Talk about Chris Rix's performance tonight.

A: "It was excellent – I don't know what his stats were but you can gauge how well your quarterback plays anytime you only have to punt the ball twice. That means you might not be scoring all the time, but your keeping the football."

Q: Was there any sense of payback out there tonight?

A: "I don't think so. We might have mentioned it and our players can read the papers, but I don't think we had to talk about that."

Q: Talk about the play of Greg Jones and are you concerned about Leon Washington?

A: "Jones surprised me because he has not practiced real hard yet this year, even as hard as he did last year. This year has controlled himself in practice and I didn't think he'd be in very good shape to play a ball game, but I saw no effects of that tonight. Washington dislocated his elbow but it was a clean dislocation, and he felt real good after the game, so I hope it's not something that will keep him out for any period of time."

Q: Do you feel like this was more like the Florida State teams you are used to having?

A: "Yes, this is more like it. I'm not going to say we're back there completely, because last year this game with Carolina at our place was tight in the first half, and this one we had a touchdown nearly every time we had the ball. That's why this feels like we're closer to where we need to be."

Q: Did you notice any improvement in the Carolina defense from last year?

A: "I haven't studied them, but I'm not sure if because we played that much better, that we made them look worse tonight. Whether they are a better unit than last year's, I couldn't tell you."

Q: Talk about the performance of your offensive line.

A: "I was very pleased with them. If they continue to stay healthy, they will get better and better."

Florida State Player Quotes:

Stanford Samuels on the feeling from losing here two years ago: “That was the only thing on my mind. We got off that bus, and I got that eerie feeling. Last night was like a bad dream or something. I woke up in a cold sweat thinking about it.”

Stanford Samuels on the FSU offense after one game: “We made some progress. People can take from it what they want to take from it. We are going to take it and build on it. This is a start. We can go back to the lab now and get even better.

Chris Rix on the overall game: “We exceeded expectations. We were efficient moving the ball down the field for the most part. We have a ways to go, but I’m proud of the way the guys did for the first game. “

Chris Rix on the difference between this game and here two years ago: “I’m proud of the way the guys came in here. They remembered. The guys who were here remembered how it felt. My goal was to make sure that didn’t happen again and that we walked off the field victorious. “

Lorenzo Booker – On getting an opportunity to play - “This was kind of a dream come true, you know, I’m glad I was able to get out there and I had a good performance.”

-On Leon Washington going down – “My heart stopped, honestly. He’s such a big part of this team not only on the offensive side of the ball, but punt returns, kickoffs, you name it.”

On his overall performance - “My expectations for myself are very high. I did alright, I have a lot of work to do to get better. The offensive line did a great job.”

On his touchdown run – “I was looking at it, like ‘this can’t be happening’ but there was just one guy, and if you can’t get past one guy, you don’t deserve the touchdown, so I knew if I did that move, I’d get in.”

UNC player quotes
Aug. 30, 2003

Darian Durant (junior quarterback)

"We moved the ball consistently but we couldn't get in the end zone. It's not like we went out and didn't move the ball at all. We saw what we can do on offense and we'll build on that.

"They didn't stop us as much as we stopped ourselves. When we got in the red zone, we shot ourselves in the foot.

(On what he'll tell the team in preparation for next week's game) "We've got a lot of young guys on offense and young guys tend to dwell on games like this. I just want them to realize it's a long season. If you dropped a ball or ran the wrong route, put that behind you."

Jeb Terry (senior offensive guard)

"Florida State played well tonight, as the scoreboard showed. It's very deflating when they come out that early on you. They drove the ball on us and we couldn't answer on the first offensive opportunities we had. It was 21-0 pretty quickly.

"We feel like we gave hard effort, We moved the ball decently in the first half and made a drive or two at the start of the second half, but we just couldn't get the ball in the end zone. Maybe if we get in the end zone on one of those drives, maybe we curtail their momentum. We'd get down to the 25 and something would happen and we just couldn't get in the end zone."

Ronnie McGill (freshman tailback)

"We know we can play a lot better. We made a lot of mistakes, we had a lot of missed opportunities. The defense broke down a couple of times and we didn't take advantage of every chance we had on offense. We ran the ball OK tonight, but we didn't run as well as we wanted to."

"We know we're a better team than that and next week will be a totally different story. We've just got to come out and capitalize on the opportunities we get. We can't have turnovers or penalties."

NORTH CAROLINA NOTES – Florida State, August 30, 2003

North Carolina played eight true freshmen in the first half (Larry Edwards, Kareen Taylor, Melik Brown, Mike Mason, Fred Sparkman, Ronnie McGill, Jesse Holley, Adarius Bowman). Last year, the Tar Heels played just seven true freshmen all season. Junior transfer Lionell Green, walk-ons Justin Phillips and John Dunn and sophomore Brian Chacos also make their Carolina debuts.

Carolina wore all blue uniforms for the first time since the Georgia Tech game in 2002 and the third time in the last three seasons. UNC also wore all blue in a 24-21 win over East Carolina in 2001. FSU wore all white uniforms for the first time since 1991.

Darian Durant was 18-for-31 for 145 yards, topping the 4,000-yard plateau for his career. He is one of just four UNC quarterbacks to pass for 4,000 yards. With the 18 completions, Durant also moved into third on the all-time completions list with 307 for his career. He trails only Ronald Curry (345) and Jason Stanicek (372) on the completion chart.

With eight catches for 71 yards, Jarwarski Pollock established a career-high in receptions. His career-high in receiving yardage came in a 90-yard effort at Arizona State in 2002.

Jonas Seawright's blocked extra point in the second quarter snapped a string of 80 consecutive makes by Florida State placekicker Xavier Beitia. The streak was the nation's fourth longest.
