Florida State Football Post Game Quotes

Florida State 47, Colorado 7

Head Coach Bobby Bowden:

On offense:

"It seems like teams have been ganging up on us on the run and with how patched up our offensive line is it's been throw, throw, throw. It was good to see us run the ball and get some balance."

"I'm tired of us trying to run the ball with seven, eight and nine guys in the box. Hopefully by completing some long passes people will respect that and we can get some room to run."

On defense:

"When you have a defense playing as good as ours, you can have a lot of little failures until you get things going on offense. We had to kick a lot of field goals early on. We'll have to work on our goal line offense this week. I want to see touchdowns instead of field goals. That was the biggest breakdown we had today."

On Rix:

"He's made a lot of progress. The biggest thing is that now he's now a dadgum redshirt junior, just like Casey (Weldon) was. He's still having trouble going from the first read to the fourth read, but he's working on that. He's needed some success. He's got the type of ability to be successful. He's probably right on schedule."

Rix in shotgun:

"It worked for Charlie Ward, it worked for Danny Kannell and Chris Weinke and the same seems to be true for Chris. He's comfortable there."

On Thorpe:

"We got on him so bad this week he had to perform. I think Jeff (Bowden) got on him a lot about dropping passes."

On team's progress:

"We've done okay up to now. We still don't have all the answers yet. We know we're better than last year, but the key is to continue to get better each week."

"We've learned that can execute. If we played today as good as we can, I'd say we'd be in trouble. But if we can correct the mistakes we made we'll have a good ball club."

FSU 47, Colorado 7 Post Game Quotes

Gary Barnett
Head Coach, University of Colorado

"We are not ready for prime time. That was an ass-whoopin. We played a half and that was it. We couldn't hold up. We weren't disciplined enough. We didn't tackle well enough and we just didn't play very good football. You can't play a team like this and play the way we did and expect to hold up. The guys played hard and all that like they always do. We have got to look inside and we have got to play better and we have got to coach better.

"Yes, they were a hell of a lot more talented then we were today, absolutely. And they played harder.

It (the missed field goals) would have helped early but I don't know if it would have made any difference. The long pass to No. 1 (Thorpe) – we didn't play after that. They kept pounding us and eventually we were going to give in. It looked like to me that they eventually were going to get us. We couldn't get any pressure on the quarterback and they were able to throw basic curl routes on us and then we couldn't tackle.

"We have got to find some answers. We have to change our scheme. We changed some players. We'll look inside. I don't want to over react and it sounds like I am right now and its easy to over react because we played four really good teams. This one was the best. We haven't gotten better in the last two weeks and that alarms me.

"It's a good time for a bye-week but I wouldn't call it a bye-week though.

"I didn't think so (on the weather being a factor). Maybe it did and you don't ever know. But our guys weren't complaining of that. We didn't cramp up or anything like that – we just didn't tackle and we didn't block. That's basically what happened. We had two miscues in the punt game.

"Until we got so far behind we couldn't run the ball anymore I thought we did a pretty good job running the ball – better than we have been but not good enough yet to be able to compete in our division and win it. But better, it's improving. We couldn't put together four quarters. We put together two quarters and a half like we did last week."

FSU 47, Colorado 7 Post-Game Defensive Quotes

Kameron Wimbely (DE):

"We played a good game today. It was the whole team together that accomplished this. All of us playing together and it was a big win. Colorado is a great program with great coaches."

Michael Boulware (LB):

"I know we have potential to go out there and play well and we have been able to show it on game day. Just the matter of us going out there and making our assignments. We just want to get better each week and so far we have."

On the touchdown:

"There was a lack of communication the crowd noise made it where my safety couldn't hear me when I checked the play."

Allen Augustin (LB):

"We felt we wanted to go out there and show them how we play. All of our defenses is playing well our front four is playing well and it will be hard to stop us when they are playing that well. They (Colorado) had a good scheme and they tried to use or speed against us we finally tried to fill the gap and we were successful."

FSU 7, Colorado 47 Post-Game Offensive Quotes

Chris Rix (QB):

"The past couple weeks we haven't been able to get it going until the second half. The plan today was attack, attack, attack; get down and score early. The coaches emphasized that all week. We got what we expected from Colorado defensively. Today was about preparation and execution."

Craphonso Thorpe (WR):

"We focused on watching the ball all the way in. I felt blessed to get the ball thrown to me and made the best of my opportunity. Sometimes we start early and sometimes we start late as an offense. We still haven't played a full four quarters, but when we do we could be something special."

P.K. Sam (WR):

"We saw tape on them on Monday and we knew we were going to pass a lot. They're playing 10-15 yards off and inside. When they were sitting on the corner route, Thorpe went by them and that was all she wrote."

"This is a good confidence builder going into Duke, our bye-week and then Miami. We showed that last week was just an off-week. Many started doubting, but we showed them what we got."

CU Postgame Notes

- ◆ The 81-yard reception for a touchdown by **Jeremy Bloom** was the fourth play in his career that covered 75 or more yards (it tied for the 11th longest pass play in school history as well). He owns the long reception in school history of 94 yards, and punt returns of 80 and 75 yards; all four plays went for touchdowns.
- ◆ First Career Starts: **Brian Daniels** started in place of Karl Allis at strong guard; **Thaddaeus Washington** started for Chris Hollis at weak inside linebacker. Daniels is the first true freshman to start on the offensive line since **Marwan Hage** made his first career start against Kansas in 2000; Hage made his first career start today at center; he swapped positions with **Derek Stemrich**, who moved over from center to tight guard.
- ◆ **S Clyde Surrell** saw his first action of the season today; **QB James Cox** saw his first career action when he came in with 5:56 left in the game. **OG's Del Scales** and **Jack Tipton** also saw their first career action.
- ◆ **Colorado** extended its consecutive games scoring streak to 176 (adding to the school record); that's the ninth longest streak in the nation—one of the teams CU is chasing is Florida State, which extended its streak to 188.
- ◆ **TB Brian Calhoun** had the third 100-yard game of his career today, carrying 21 times for 118 yards, including the long burst of 49, CU's longest rush this season (he had the previous long of 31). The first three 100-yard games of his career have come against Nebraska, Oklahoma and Florida State.
- ◆ **WR Derek McCoy** caught five passes for 34 yards—the five receptions gives him 94 for his career, as he passed Dave Hestera (91) into 10th place on CU's all-time list.
- ◆ Florida State QB Chris Rix became only the third player to ever amass over 400 yards total offense against Colorado (411: 394 pass, 17 rush), the second player to do so this year. Fresno State QB Trent Dilfer had 474 yards in the 1993 Aloha Bowl (523 pass, -49 rush), and CSU's Bradlee Van Pelt had 416 (339 pass, 77 rush) earlier this season against the Buffs in Denver. However, this is the first time CU lost when allowing a player over 400 yards total offense.
- ◆ Colorado has allowed 40 or more points in back-to-back games for the first time since the 1983 season. You have to go back to Oct. 22-29, 1983, when CU lost 69-19 at Nebraska and then 40-14 at home to Oklahoma State.
- ◆ The 40-point loss is CU's worst since dropping a 52-7 affair at No. 8 Nebraska on Oct. 31, 1992; unfortunately, it was not Halloween today... it was CU's worst loss to a non-conference team since a 55-14 setback at Notre Dame in 1984.
