

Gators Take Cross Country Meet At USF

The University of South Florida's Coswell DePieza remained undefeated yesterday but the University of Florida won the Florida University State Championship cross country meet at USF.

DePieza posted the best time among the state's best harriers and was only a fraction of a second off the course record set by Jack Bachelor, formerly of the University of Florida.

DePieza's time was 19:53 and automatically qualified him for the All State team. The team was chosen from the top seven runners in yesterday's meet.

Along with DePieze, they were Bobby Brooks, FSU, 19:58; Dennis Skelton, UF, 20:22; Ron Nabers, UF, 20:27; Mike Godey, USF, 20:34; Rick Langford, UF, 20:59; George Bridges, UF, 21:06.

DePieza will compete in the N C A A Championships in Wheaton, Ill., next Saturday.

Brooks takes second in state tournament

Fighting off an illness that had bothered him two weeks ago, Bobby Brooks came through with a second place finish in the State Championship meet held at Tampa this past weekend.

Brooks completed the four-mile course in a time of

19:58, five seconds behind the winner, Coswell DePiazza of the University of South Florida.

The other FSU star runner, Del Ramers, was unable to make the trip to Tampa because of an injury suffered the previous week. He tripped while running on a railroad track and severely bruised his knee. The injury kept him out of action until yesterday when he worked out for the first time.

Winning the team title was the University of Florida. They took the title away from FSU, who had racked up an impressive win in 1970.

Florida State will not have to compete in a meet this week.

DEL RAMERS
... injury keeps him out

Tech tickets are available

Individual student tickets for Saturday's FSU-Georgia Tech football game in Atlanta are on sale this week at the Tully Gym ticket office for \$7 apiece.

The next competition for the iron men will be at the NCAA Championships. Brooks and Ramers will be the Seminoles' only entrants in the meet.
