Tribe first in run as Ramers returns

Florida State placed four runners in the top ten and edged out Alabama for first place in the South Alabama Invitational Cross Country meet in Mobile Saturday morning.

The Seminoles were paced by Del Ramers' second place finish, while teammate Bobby Burr was right behind in third. Bobby Brooks placed sixth and Bobby James eighth for FSU.

Alabama's Herb Bigson was the individual winner, covering the five mile layout in 24:53. Ramers, back from an appendectomy which kept him out last year, was timed in 25:03 while Burr was clocked in 25:04.

The open division was won by former Florida State All-American Ken Misner, who set a course record of 24:23.
