Alabama takes FSU C-Country

Alabama, led by the consecutive weekend victories of Mark Brown, outdistanced all rivals in the Florida State Fall Cross Country Invitational.

Brown easily outran Florida's Brian Quinn and FSU's Bob Brooks as he finished the five miles in 24:12.

The big story was in the open division where Olympians Jeff Galloway and Barry Brown were competing along with the former FSU All-American Ken Misner. Misner and Galloway clasped hands to finish together in 23:45 — a course low.
