

Florida State University's golf team yesterday defeated Auburn's Tigers, 14½-12½, in the first of 10 straight dual matches for the Seminoles. The victory avenged a one-point loss to Auburn last season.

Dr. Don Veller's golfers trailed, 12½-5½, with one foresome still out. Seminoles Jack Veghte and Mel Fleischer blanked their opponents, 9-0, however, to clinch the FSU win.
