WAKE FOREST POSTS COME-FROM-BEHIND WIN IN UM/DORAL GOLF TOURNAMENT
(UM FINISHES AT NO. 10)

MIAMI, FLA...Wake Forest University overcame a six-stroke deficit and finished with a three-round total of 895 to capture the University of Miami/Doral Park Collegiate Invitational at the Doral Park Silver Course. The Demon Deacons were rewarded with a \$1,000 gift from Golfweek Magazine for the school's general scholarship fund.

Louisiana State University's Rob McNamara took home the individual honors with three-under-par 213. For his efforts, McNamara received \$1,000 for LSU's general scholarship fund courtesy of Titleist.

Louisiana State and the University of Houston finished next in a deadlock with scores of 899, but the Cougars took home the second-place honors after the tiebreaker.

Miami also came up on the short end of a tiebreaker which favors the best final round of each teams No. 5 player. The Hurricanes settled for 10th place after finishing at 915 with Georgia Tech.

The 'Canes were led by senior Scott Gump whose three-round individual total of 221 left him eighth overall.

Clear skies and strong winds dominated the play in the final round as all 18 teams shot over 300 scores.
