ARIZONA WINS UM/DORAL PARK GOLF TOURNAMENT

* * * * *

Wildcats' Larry Silveira Wins Individual Title With Tourny Record

MIAMI, FL...The fifth-ranked University of Arizona Wildcats led from start to finish to win the third annual UM/Doral Park National Collegiate Invitational Golf Tournament, with a three day total of 879, seven strokes better than second-ranked Oklahoma State's 886. Georgia Tech finished third at 894, as all three teams bettered the tournament record of 895 set last year by Wake Forest.

All-America Larry Silveira of Arizona also led from his opening round 66 to set a new tournament record and win the individual title with a 54-hole total of 212, four under par on the Par 72 Doral Park Silver Course. Georgia Tech's Charlie Rymer was second at 216. There were no par or better rounds during the third day of play, a day which featured temperatures in the 50's and wind gusts up to 20 mph. In contrast, the opening round showed 30 scores of par or better, while eight golfers scored par or better during Saturday's second round.

"I'm very proud of our team's performance," said Arizona coach Rick LaRose. "We have a lot of depth and experience and it really showed this weekend."

Silveira added, "I really enjoyed the tournament--it had a great field, with competition every bit as good as the NCAA tournament. The course played hard the last two days, and I'm really pleased with the way I played."

Host Miami was 16th with a three-day total of 932. Junior Scott Medlin paced the Hurricanes with a 54-hole total of 224, 12 shots behind Silveira and tied for 16th in the 90 man field.

The 18 team tournament featured eight of the top 10 teams in the country, including the top three.
