FOR IMMEDIATE RELEASE

TWO FLORIDA STATE GOLFERS NAMED ALL-AMERICAN

June 14, 1990

TALLAHASSEE, FL -- Florida State University golfers Andy Purnell and Roger Winchester were named All-American's on Thursday by the Golf Coaches Association of America.

The two seniors led the Seminoles to an eighth place finish at the NCAA golf championships held at Innisbrook, FL last weekend. Purnell, an economics major from Jacksonville, FL, fired rounds of 72-71-69-75 for a four-day total of 287 that placed him sixth in the tournament. Winchester, who was named an All-American for the second consecutive year, shot 69-74-69-78 enroute to a 290 that tied him for 17th place at the NCAA championships. Winchester is also a former academic All-American and is from Sidmouth, Devon, England.

FSU got another All-American earlier in the week when junior Christian Williams was selected as an All-America Scholar by the Golf Coaches Association of America. Williams, from Spartanburg, SC, is working towards a double major in economics and political science.
