SEMINOLE MEN'S GOLF TEAM FINISHES IN SECOND PLACE AT LINGER LONGER INVITATIONAL; NEXT UP IS NCAA EAST REGIONAL CHAMPIONSHIP BEGINNING THURSDAY

GREENSBORO, Ga. – Florida State freshman Seath Lauer played the best tournament of his collegiate career in finishing in a tie for fifth place in the individual standings to lead the Seminoles to a third place finish in the Linger Longer Invitational at the Oconee Course at the Reynolds Plantation. The Seminoles had three of their five players finish under par for the 54-hole tournament that is serving as a tune-up for the teams' second consecutive appearance in the NCAA East Regional Championship beginning Thursday at the Country Club of Georgia in Alpharetta.

No. 1 ranked Georgia carded the two best team rounds of the tournament including a 12-under par 276 in the third round to win the event by 19 strokes over second place Georgia State and 21 over the third place Seminoles. Georgia's Chris Kirk finished with a 10-under par 206, including a 65 in the first round, to claim medalist honors. Nine of the 15 teams who participated in the Linger Longer will play in one of the three NCAA Regional championships including Georgia, Florida State, Chattanooga, Georgia State and Charlotte – the top five finishing teams in the tournament.

Lauer (Huntington, Ind.) was the Seminoles' standout as he set personal-best marks for single-round score (68 in the second round), 36-hole score (138), gross tournament score (21), tournament score vs. par (minus 6) and best finish (tied for fourth) in leading the Seminoles to their fourth top three team finish of the year. Lauer carded an even par 70 and only a bogie on his final hole of the tournament kept him from firing three-sub par rounds in the same tournament for the first time in his career. He had three birdies and was one-under par over the front nine and had one bogie and was one-over par on the back nine to finish with an even-par score of 72. Lauer played so well over the course of the 54-hole tournament that he was never over par at any point during the event. His individual finish marked the third top-20 finish of his eight-tournament Seminole career.

Junior Jonas Blixt (Hammaro, Sweden) continued to play well as he finished in a tie for eighth place with a four-under par tournament score of 212. He finished the event with an even par 72 in the third round – a round that included four birdies and only three holes over par. Blixt, who became the first Florida State golfer to win an ACC championship in April, is a total of 12-under par in his last six rounds. Blixt now has six top-10 finishes this year and eight for his career.

Senior Torstein Nevestad (Oslo, Norway) continued to play the best golf of his Florida State career as he closed the event with an even-par 72 in the final round. His 215 tournament total is tied for the second best of his Seminole career and was his best score since firing a 211 at the spring 2006 Lexus/Naples Intercollegiate. Nevestad finished in a tie for 17th place to earn his second consecutive and 14th top-20 placing of his collegiate career. He finished in a tie for 19th place in the recently played ACC Championship.

Seminole sophomore Matt Savage (Louisville, Ky.) and freshman Cameron Knight (Wesley Chapel, Fla.) finished tied for 37th and tied for 44th respectively. Savage closed the event with a 79 after carding a 70 in the first round and a 72 in the second round while Knight closed with a 79 after carding a 71 in the first round and a 72 in the second round.

"I am extremely happy with our guys and how they are playing right now," said Head Coach Trey Jones. "We were the only team in a pretty good field with all of our guys at or below par and only two hiccups on the back nine in the third round put two players above par."

The Seminoles begin play in the NCAA East Regional Championship Thursday with this same set of five players. The quintet has played together in the last two events for the Seminoles and has earned a tied for fourth place finish in the ACC Championship and a third place finish in the Linger Longer. Florida State is looking to advance to NCAA Championship final round for the first time since 1996.

"We are right where we want to be going into the regional," said Jones. "Seath Lauer is a great example of the spirit of this team. He was not the low man last week (at the ACC Championship) and competed to become the low man this week. We are excited about going back to the Country Club of Georgia. If we play like we played all year long we will be just fine in the regional."

Seminoles set to finish out the regular season

All-ACC selections Blixt and Savage lead Tribe

By: Frank Longobardo

The Florida State men's golf team will have one more tournament to sharpen all of their skills before they participate in the NCAA East Regional. The 'Noles head to Greensboro, Ga. this weekend to participate in the Linger Longer Invitational.

After coming from ninth place, to finish tied for fourth at the Atlantic Coast Conference Championships, the Tribe will take on some of the best competition in the southeast at the Reynolds Plantation Oconee Course. The tournament is hosted by Mercer University.

Top-ranked Georgia, No. 3 Alabama, No. 19 Louisville, No. 21 Georgia State, No. 22 North Carolina, and No. 23 UNC-Charlotte are the nationally-ranked foes that Florida State will be up against. Georgia, Georgia State, and North Carolina all won their respective conferences. Georgia also claimed the title at last year's Linger Longer Invitational.

Leading the way for the Tribe will be the newest members of the All-ACC men's golf team, junior Jonas Blixt and sophomore Matt Savage. It is the first time since 1994 that two Seminoles have earned the honor and its the first time since 1998 that any Seminole golfer has been named to the All-ACC team.

"I am really excited for both Jonas and Matt," head coach Trey Jones said. "They have really worked hard and are both testaments to the success you can achieve with hard work."

Blixt took home the individual medal at the ACC Championships last month. He shot a career best 65 in the final round to capture the title, the first ever Seminole to win the event.

The junior captured two individual championships this season and has an average of 72.74 strokes per three rounds in the spring, a career-best for Blixt.

Savage has not finished outside of the top-25 in any tournament all spring. The sophomore had a career-best finish of third place at the Shoal Creek Invitational in the fall of this season. He is averaging 73.33 strokes per three rounds in nine events in the spring season.

"It is a great honor to be thought of so highly by the coaches in the ACC," Savage said. "To be recognized on the all-conference team in the best conference in the country is both exciting and humbling at the same time."

The Reynolds Plantation Oconee Course is a par-72, 7,393-yard course. Lake Oconee is a part of play for
