

## Seminole Swimmers Score 50-25 Win Over Clemson Team

The Florida State University Seminoles scored almost at will in every event Saturday night to defeat the Clemson Tigers 50-25 in the East Campus pool.

The Seminole tankmen took seven first places in the nine events.

FSU Coach Bim Stults substituted freely in closing events and gave most of his varsity squad a chance to compete.

Clemson won the 200-yard breast stroke when FSU was disqualified, and took the 400-yard free style relay in one of the closing events.
