

**Sophomore All-American**  
Ernie Stock, perhaps the greatest swimmer in Florida State University history, leaves tomorrow with Coach Bim Stults for the National Collegiate Athletic Association swimming championships at Miami (O.) University.

Stock will compete in the 200-yard breaststroke and butterfly events in the NCAA meet.

Ernie Stock, FSU's all-American swimmer, made a strong showing in last week's NCAA swimming championships at Miami (O.) University.

A sophomore from Royal Oak, Mich., Stock didn't gain the finals but was impressive in both the 200-yard breaststroke and butterfly events in the national preliminaries.

Stock attended the national meet with Coach Bim Stults, who has guided the Seminoles to 21 straight dual victories and two consecutive undefeated seasons.
