Special to The Democrat

COLUMBIA, S.C. — Florida State's swimming team jumped in front early and went on to defeat South Carolina here Wednesday, 63-50.

The Seminoles captured six first places, including three of the meet's first four events to insure the victory.

Seminole Junior Dean Jerger turned in the day's best performance with a 21.8 clocking in the 50-yard freestyle. The time qualifies Jerger for the national NCAA championships in March.

The Tribe opened the meet with a win in the 400-yard medley relay and followed it with a one-two sweep of the 1000-yard freestyle.

South Carolina picked up its first win in the 200-yard free, but Jerger countered in the 50.

Following a USC win in the Individual Medley, the Gamecocks pulled the biggest surprise of the day by capturing the one meter diving competition.

Carolina's Mike Mayfield outpointed both Phil Boggs and Howie Acosta. Boggs, after missing one dive completely, placed third. Acosta was second with a total of 249.15 points. Mayfield was first with 249.65.

Florida State's Ed Anderson and Dennis Shields won the backstroke and 500-yard freestyle events, before Boggs' and Ken VonRoegen swept the three-meter diving to put the meet away.

The Seminoles move into the second chapter of this week's four meet tour of the Carolinas when they tangle with East Carolina in Greenville, N. C., today.

Friday they meet N. C. State in Raleigh and Saturday North Carolina in Chapel Hill.
