FSU SWIMMER GAINS ALL-AMERICAN HONORS

Minneapolis, MN - Florida State junior swimmer Ignacio Merino finished in 13th place in the 200 butterfly in a time of 1:47.42 at the NCAA Men's Swimming Championships on Saturday evening. In the process, Merino earned second team All-American honors. In preliminary competition earlier in the day, Merino set a school record in the event with a 1:47.11 clocking.

The Florida State team finished the Championships in a tie for 37th place.

"What Ignacio accomplished here is a mark that our program is up and coming," said FSU head coach Don Gibb. "I am very proud of our guys that competed here. It gives us something to shoot for next year, because all three of them return next season."

Merino becomes the first Florida State men's swimmer to earn All-American accolades since 1986.

Sophomore Robert Braknis placed 28th in the 200 backstroke with a time of 1:48.16. Freshman Chip Haberstroh finished 30th in the 1650 freestyle with a time of 15:41.89.
