FLORIDA STATE UNIVERSITY

FOR IMMEDIATE RELEASE

TALLAHASSEE, FL -- Following the last day of competition at men's NCAA Swimming and Diving Championships in Austin, Texas, the Seminoles captured the highest finish in FSU history. The Seminoles finished in 18th place with 58 points. First place went to the University of Texas with 479 points, second went to Auburn University with 443 point, while the University of Michigan was third with 358 points.

The Seminoles finished the last evening of competition with more school records. Freshman Stephen Parry placed 9th in the 200 fly with a new school record of 1:46.21. Leading off the 400 free relay, freshman Brendon Dedekind set a new school record in the 100 free with 43.76, while the relay finished in 9th place with a new school record of 2:57.67 (Dedekind, Coelho, Haynes, McVittie).

"Our guys were able to improve on the performance from last year, and we went for 25th to 18th place," head coach Don Gibb said. "By placing as a second ACC team at the NCAA we proved to have excellent quality, while lacking some depth."

Assistant coach Neil Harper will be available for interviews in his office tomorrow morning at 644-1891, while head coach Don Gibb will be at the Canadian Olympic Trials cheering on the senior redshirt Rob Braknis. Gibb is expected to return to Tallahassee on Thursday, April 4 and will be available for interviews at 644-1890.
