## DIVISION I

## 2000 Championships

### Highlights

**Teamwork gets Title for Texas:** Though Texas failed to win an individual event on the last day of competition at the Division I Men's Swimming and Diving Championships, the 125-point lead it had accumulated from the previous day managed to keep Auburn and Arizona at bay. The Longhorns earned 539 total points to claim their seventh title March 25 in Minneapolis. Defending champion Auburn took second with 385 and Arizona third with 360½.

The win was Texas' first since 1996.

Texas dominated the relay events with wins in the 200- and 400-meter medleys and the 800-meter freestyle. Matt Ulrickson won the 100-meter backstroke. In addition to strong showings in the swim events, the Longhorns' efforts were aided by diver Troy Dumais who had wins in the one- and three-meter diving events and a second-place finish in platform.

Arizona State's Atilla Czene set a world record in the 200-individual medley with a time of 1:54.65. For California, Anthony Ervin's time of 21:21 in the 50-meter freestyle was a world's best. Swimmer of the meet Ed Moses of Virginia set two world records with his wins in the 100- and 200-meter breaststroke. And Auburn's preliminary score of 1:24.83 in the 200-meter freestyle relay was also a world record.

It was the first NCAA men's swimming championships to be held in short-course meters.
