Seminole Swimming And Diving Finish In Fourth Place At The ACC Championships.

Josh Edelman captures three-meter dive and takes Most Valuable Diver Honors.

TALLAHASSEE, Fla. – The Florida State Men's Swimming and Diving team finished this year's ACC Championships in fourth place with 401.50 points. The Seminoles went on to take four individual titles this year, two more than last year. Greg Main-Baillie, Devin Crock, and Josh Edelman, who won both the one and three-meter dives, all came away with individual titles at this year's Championships.

On the final day of competition, the University of Virginia built on its commanding lead to take the Championship by a total of 883.50 points, 289 points higher than second place North Carolina (594.50). The 883.50 points posted by the Cavaliers was an ACC Championship record last held by North Carolina, who totaled 852 points back in 1991. This was the University of Virginia's third consecutive ACC Championship.

Freshman diver, Josh Edelman swept the diving competitions at this year's ACC Championships for the Seminoles, winning both the one and three-meter dives. After finishing in second in the prelims on Friday, Edelman was determined to claim victory in the finals. He did just that posting a total of 550.80 points, his highest of the season, and making it a clean sweep for the Seminoles diving program at the men's and women's ACC Championships in 2001. Last week it was freshman Chelsie Lerew who claimed both the one and three-meter dives for the women. For his performance, Edelman was named the ACC Most Valuable Diver, making him only the second diver to win both competitions at an ACC Championship meet since 1993.

In other events, Greg Main-Baillie came up just short of claiming his second title this weekend. He would finish second in the 100 Freestyle in a time of 44.03. In the consolation final, Nnamse Ammons would finish first in a time of 45.24, which was good for ninth place overall. In his final ACC meet, William McReynolds finished seventh in the consolation final and 15th overall.

Freshman Tal Stricker finished in fourth in the 200 Breaststroke in a time of 2:00.58, while Wickus Nienaber won the consolation final (2:01.01), finishing ninth overall.

In the 200 Butterfly, the Seminoles took the first two spots in the consolation final with Matt Wheeler and Richard Cowling finishing first and second, respectively. Virginian native, Jeff Boatright finished fifth in the consolation final with a time of 1:52.30, good for 13th place overall.

In the final event of the evening, the Seminoles took second place in the 400 Freestyle Relay. The team of Main-Baillie, Ammons, Crock, and McReynolds finished in a time of 2:58.32.

IMMEDIATE RELEASE

February 24, 2001

Men's Swimming and Diving Drop To Fourth At The ACC Championships

Seminoles win one more individual title on Friday.

TALLAHASSEE, Fla. – After two days of competition in Charlottesville, the Florida State men's swim and dive team find themselves in fourth place with 268.50 points. The University of Virginia extended their point total over the second place Tar Heels, and now leads by 149.50 points. Georgia Tech climbed through the field after Day Two and stands in third place with 274.50 points. Clemson finished in fifth with 237 points, only four points higher than North Carolina State's 233 points. Maryland (224.50) and Duke (102) round out the pack finishing in seventh and eighth, respectively.

The Seminoles started the morning prelims in good shape qualifying a handful of swimmers for the championship finals. Devin Crock led the way in the morning taking first place in the 100 Butterfly. In the 100 Breaststroke, three Seminoles found their way into the evening championships with Richard Cowling, Justin Betts, and newcomer Wickus Nienaber all making final swims. Freshman Tal Stricker finished in ninth place, only two hundredths of a second out of making it to the championship final. In the 100 Backstroke, Greg Main-Baillie finished in fifth with a time of 49.75. Devin Crock missed out on his second championship final of the day finishing ninth in a time of 50.11, three hundredths of a second behind Clemson's German Martinez.

In the Championship finals, the Seminoles would rack up one more individual win in this year's ACC Championships. After his strong performance early Friday morning, Devin Crock would continue his mastery in the 100 Butterfly taking the event in a time of 48.09. His time was fastest for the Seminoles this year. Steve Forson and William McReynolds finished third and fifth, respectively in the consolation final good for 11th and 13th overall.

The exciting event of the evening was the 100 Breaststroke where the top three swimmers finished within .10 seconds of each other. Freshman Gary Marshall of Virginia touched first in a time of 55.01. Tech's Tomonori Tsuji finished in second at 55.04 and Florida State's Wickus Nienaber came in third with a time of 55.11. Nienaber's time was the fastest for the Seminoles this year and a new personal best. Justin Betts came in fifth for the Seminoles achieving a new personal best time of 55.60. Richard Cowling came in seventh (56.03) for FSU. Tal Stricker won the consolation final in 56.15, which was good for ninth overall.

In the 100 Backstroke, Greg Main-Baillie would finish in fourth place with a time of 49.39.

The three-meter diving competition also got underway with preliminary action on Friday. Florida State's Josh Edelman finished in second place with 497.05 points, while

Louis Dondero came in tenth with a point total of 406.30. Edelman is looking to sweep the diving competition after winning the one-meter dive on Thursday. This would make it a clean sweep for the Seminoles at the ACC Championships in both the one-meter and three-meter diving competitions for men and women. Freshman Chelsie Lerew came away with both the one and three-meter titles last week for the Seminoles.

The final day of competition will be on Saturday February 24, 2001 with preliminary action at 11 a.m. and finals at 7 p.m. The schedule of events includes: 1650 Freestyle, 200 Backstroke, 100 Freestyle, 200 Breaststroke, 200 Butterfly, the finals of the three-meter diving competition, and finally the 400 Freestyle Relay.

IMMEDIATE RELEASE

February 22, 2001

Men's Swimming And Diving Place Third After Day One Of Competition

Main-Baillie and Edelman win individual titles for the Seminoles.

TALLAHASSEE, Fla. – After a solid performance on the first day of competition at the ACC Championships in Charlottesville, Virginia, the Florida State men's swimming and diving team are in third place with 142.5 points. Defending champs the University of Virginia, is leading the competition after Day One with 256.5 points, 45.5 points higher than second place North Carolina (211). North Carolina State finished fourth with 123 points, while Maryland collected 110 points good for fifth place. Clemson (104), Georgia Tech (96), and Duke (49) rounded out the scoring finishing in sixth, seventh, and eighth place, respectively.

The Seminoles walked away with two individual titles on Thursday winning the 50 Freestyle and one-meter diving competitions. During morning preliminary action in the 50 Freestyle, the Seminoles qualified two swimmers for the championship final later in the evening. Greg Main-Baillie and Nnamse Ammons finished second and fourth, respectively in times of 20.16 and 20.32. In the championship final, Main-Baillie registered the fastest time for a Seminole this year in 20.00. His time was a personal best this year and was good enough to bring home first place for the Seminoles. Ammons went on to finish in a tie for sixth place with Virginia's Jonathan Haag, in a time of 20.33.

In diving, the Seminoles continued to show their dominance at this year's ACC competition. With Chelsie Lerew sweeping both the one and three-meter dives last week, freshman Josh Edelman decided he would follow in the same path. After finishing the preliminary action in first place with 291.55 points, Edelman came charging back to take the finals in the one-meter dive with a point total of 283.00. In his final ACC competition, Virginian native Louis Dondero placed sixth in the morning prelims with 245.70 points to reach the finals later that evening. He would end up finishing in eighth place picking up valuable points for the Seminoles.

The Seminoles also looked to defend their title in the 200 Freestyle Relay and extend their winning streak in this event to seven years. The Cavaliers thought differently, winning the event in a time of 1:20.20. The Seminole team of Main-Baillie, Ammons, Michael Paulus, and Will McReynolds finished in a close second with a time of 1:20.61. The Noles would also take second place in the 400 Medley Relay finishing in a time of 3:16.10.

Richard Cowling also made it to the finals in the 200 Individual Medley on Thursday. He finished the 200 in a time of 1:51.35, which was good for an eighth place for the Seminoles.

The men's swimming and diving team is back in action on Friday, February 23, 2001 with preliminary action at 11 a.m. and finals at 7 p.m. The schedule of events

includes: 200 Medley Relay, 400 Individual Medley, 100 Butterfly, 200 Freestyle, 100 Backstroke, 100 Breaststroke, and preliminary action of the three-meter diving.
