

November 7, 1985

Dear Coach:

Thank you for your team's participation in the 8th Annual Florida Intercollegiate Tennis Championships. The cooperation of all the teams and players enabled us to complete the tournament on schedule.

Although this year's tournament did not have an official team champion, the "mythical team title" would go to Florida with 35 points followed by Florida State with 16 and Flagler with 13.

We hope that everyone will come back next year. Hopefully our new 6 court stadium facility will be ready and we will have 14 courts at one site.

Sincerely,

Steve Beeland
Tennis Coach
