Head Coach: David Barron
Assistant Coach: Joey Rive

David Barron Head Coach

If the saying is true that recruiting is a prerequisite to winning, then third year head coach David Barron must have Florida State moving in the right direction. The 31 year old University of Evansville graduate is a tenacious recruiter and has already coached two of his recruits into the ITA top 100, Stephen Noteboom in 1991 and Ken McKenzie in 1992. This year he has brought in six new players to supplement a team that was 14-9 last season, third place in the Atlantic Coast Conference.

Barron, an Evansville native, played on a Junior College National Champion team at the University of Central Florida Community College before graduating in 1981. He then went on to the University of Evansville where he was team MVP in 1983 while earning his Bachelor's degree. Barron stayed at Evansville to complete a Master's in Business Administration in 1985.

Barron returned to Florida and worked at Nick Bollettieri's prestigious Tennis Academy. There he met Andy Brandi, who went on to become the head coach of the Florida Gator women's tennis team. Brandi brought Barron to Gainesville in 1985 where they proceeded to lead the Lady Gators to the number one ranking in 1991. Although this is only his first stint as a head coach, Barron is experienced and confident that he can bring similar results to Tallahassee.

Barron is married to the former Michelle Sharp. He is USPTA (United States Professional Tennis Association) certified and is currently working on his Doctorate in Athletic Administration here at Florida State.

Joey Rive Assistant Coach

One of Florida State's all-time great players, Joey Rive is making his collegiate coaching debut this year for the Seminole men's tennis team.

Rive played at FSU from 1981-1985 and as a senior was ranked in the top 25 and competed in the NCAA tournament. During his career he won over 80% of his matches and garnered such honors as being named MVP of the FSU team and MVP of the Metro Conference.

Rive left FSU in 1985 to compete on the ATP tour where he ranked in the top 100 in the world from 1987-1991. At one point, he ranked as high as 55th among all professional tennis players. In 1987 he was named Sportsman of the Year by Tennis Magazine.

Rive is married to the former Kim Shaw, a FSU Masters student in Rehabilitation Counseling. Currently, Rive is continuing work on his bachelors degree in Sociology.
