

Florida State's track lineup yesterday for Georgia and Georgia Tech was rougher than the Seminoles had anticipated—but they accelerated to defeat Mercer University from Macon in the Peach state, 73½-53½.

Four Indians came through as expected—they were double-winners who continued to set track and school records in a variety of events.

Captain John Poston of Jacksonville paced the squad with his customary sprint victories and a terrific mile relay leg. Poston ran 9.9 in the century and 21.5 in the 220, shading his previous school record there by one-tenth of a second. Then he turned in a 40.4 anchor lap on the concluding mile relay.

FRESH DOUBLE WINNERS

Slender weight man Carlos Fraundorfer, hurdler Jule Hurst, and middle-distance runner Bill Wagoner—all freshmen—also recorded a pair of wins apiece that included several records.

Fraundorfer put the shot 44½ ft. for a school record and set another one in the discus with 135' 4". It was the third straight meet in which he's broken the shot record.

Sophomore Woody Parker paced 51.0 flat in the quartermile to break his own track record. And the mile relay quartet of Poston, Dick Mize, Pete Ninkoff and Jack Koonce shattered all existing local marks with 3:27. Mize, back after a prolonged layoff, and Poston sparked that win with sizzling quarters.
