

Senior Mike Kelly, Florida State's outstanding track star, was a triple winner and sophomore George Frank set a school record in the discus yesterday afternoon as the Seminoles wound up their regular season with an impressive 93-52 victory over Alabama.

Kelly, one of the Seminoles all-time greats, clicked off meet-record performances in the high and intermediate hurdles and rounded out the triple by winning the high jump.

Kelly's high hurdle time was 14.3 and he ran the 440 hurdles in 51.7, sandwiching a 6-6 winning high jump performance in between.

Frank, a former Tallahassee Leon High athlete, erased the old discus record with a mighty 168 feet, 5½ inch toss. The old mark was 160-7, set by Al Williams in 1963.

Ken Misner, Florida State's sophomore distance ace, turned in his best mile ever with a fine 4:10.3 effort while still another soph, sprinter Doug Brown, toured the 100 in an outstanding 9.6.

Alabama could manage only three first places—the Crimson Tide winning the shot put, the javelin and the mile relay as Seminole Coach Mike Long chose not to run his No. 1 team.

Charlie Galloway, another second year man on the sophomore-dominated Florida State team, registered victories in the long and triple jumps.

For the day, seven meet marks were bettered and two tied.

The win left the Seminoles with a 3-1 dual meet record.
