

Ken Misner, Florida State's distance ace, qualified for the NCAA six-mile event over the weekend as he ran second in the Kentucky Relays with a 28:56.5 clocking.

The national qualifying time was 29:30.0 and the St. Petersburg senior's performance assures him of an NCAA berth in June at Seattle, Wash.

After running second to Pitt's Jerry Richey in the six-mile on Friday, Misner joined his Florida State teammates Saturday in Columbia, S.C., for the State-Record Relays.

Misner set a meet record by capturing the two-mile in

8:54.2 as the Seminoles claimed four first places.

Jim Buck, who already holds the school Javelin record, won his specialty with a toss of 229 feet, 7 inches. Bill Jackson and Jay Young finished one-two in the pole vault as both cleared 15 feet, 1 inch. Jackson was awarded first because of fewer misses.

Senior Bruce McCampbell tied for first place in the discus with a toss of 136 feet, 7 inches while Seminole George Frank was fifth with a 155-3 effort.

Chuck Crowder threw the shot put 52 feet, 9 inches and this was a personal record for the Tallahassee senior and

gave him a second place.

In the running events, Doug Brown ran a 9.6 100, good for third place. John Fuss was fifth in the intermediate hurdles and the 440 relay team of James Cofer, Brown, James Broun and Joel Garren finished second with a time of 41.2.

Randy Stwo, Bernie Waxman, John Fuss and Garren combined for a fifth place finish in the mile relay with a 3:14.9 clocking.

The Seminoles' next meet is the Gulf Coast five-way event in Tuscaloosa, Ala., April 17. Competing schools will be Florida State, Florida, Auburn, Mississippi State and host Alabama.
