Trackmen triumph at Senior Bowl

BY DALE FRIEDLEY

Newcomers aplenty, the Florida State track team won its first competition of the season last Thursday, as the Seminoles took the Senior Bowl Invitational Track Meet in Mobile, Ala.

The victory could do nothing but please head coach Mike Long. In carving out the win, the FSU coach saw a lot of new faces scoring points.

Possibly the most impressive newcomer was Danny Smith, a former star for Miami Dade North JC. He took two first in Mobile with a 5.3 clocking in the 50 yard dash and a 6.3 showing in the 50 yard high hurdles.

Smith was one of the top JC sprinters in the nation last season as he finished second nationally in the high hurdles.

Tyrone Fredrick is another MDJC North performer who scored a big win Thursday. He won the 1000 yard run in a time of 2:13. And also helped out as the Tribe won the mile relay and finished second in the two mile relay.

The rest of that winning mile relay team consisted of three prominent sprinters from last year. They were Joel Garren, the national qualifier in the quarter mile, Steve Adams and George Sparling. The time for the foursome was 3:23.6.

The other individual winner was Mike Lee in the high jump. Lee soared to a 6-8 height. He is a former junior college trackman who spent some time in the service.

Several of the better performances on the team didn't net victories, but did gain recognition from Long as being outstanding.

Oshorn Brown, a transfer from Florida Junior College in Jacksonville, turned in a sterling effort for the shot put, recording a personal high of 55-9 while finishing third. Brown was the National JC champion in the shot last year.

The two mile relay team that finished second also contained several runners considered essential to the squad this season. Robin McEachern, Wes Koenig and Bob Fleming lead the four-man event that Fredrick anchored. Their time was 7:50.3, just a fraction of a second behind the winner.

The Seminoles got one other second, that by Bobby Brooks in the two mile.

A Third place went to Allen McMillen in the pole vault. One of the most consistent participants for FSU last year, McMillen cleared 15 feet.

Finishing fourth were freshman Charlie Harris in the long jump and Sparling in the 600 yard run.

As it turned out, FSU won the meet easily with 38 points, while the University of Florida was second with 29. Georgia Tech came in third and Auburn finished fourth.
