Three more runners qualify

The Florida State track team's trip to Knoxville, Tenn. proved to be a successful endeavor this past weekend as three more FSU athletes qualified for national competition in both the NCAA Championships and the National Federation Meet.

Bobby Brooks, Charlie Harris and Tyrone Frederick all made the national minimum in their specialty events. Brooks qualified in the three mile, Harris in the triple jump and Frederick in the half mile.

Brooks, who has been having trouble getting going this year, ripped to a fine 13:54.6 clocking

in the event giving him third place. Ahead of him were FSU graduate students Jeff Galloway and Ken Misner who were running at the meet unaffiliated.

Frederick, who has also been bothered by illness and inability to get his time down to national standard, ran a 1:51.2 in the half to qualify him nationally. The clocking time was good enough for only fifth, however.

Harris, who was qualified in both the long and triple jump during the indoor season, leapt 38-1 1/2 well above the national norm.

Other FSU athletes going places at the Tom Black Camp held on the campus of the University of Tennessee was Rich Reicheiderer in the pole vault (third), Allen McMilen in the pole vault (second), and Odean Brown in the shot put fifth.
