Team Scoring

In the team scoring process, the performance scores of the University and Invitational Divisions were ranked.

On basis of their ranking, each performance score was rated a certain number of points, i.e. the best ranked performance score is rated 6 points, the 2d, 3rd, 4th, and 5th scores/rank were rated accordingly. (6-4-3-2-1)

For example in the Triple Jump, Dees of Mid Tex was ranked 1st with Ferbeni(MSU) and Daniel (GA Tech) 2d and 3rd ranking. Tied for 4th and 5th place in rank were Amber(FSJC) and Hill of (Mid Tex) with each receiving 1.5 points apiece.

Performance scores of the USSR, Open Division, UnAttached runners, and those who ran for Track Clubs were not involved in the ranking, or scoring.
