WEATHER: Temperature in high 80's with humidity remaining similar to previous day in 70 degree range. Winds light from the south, aiding the hurdles.

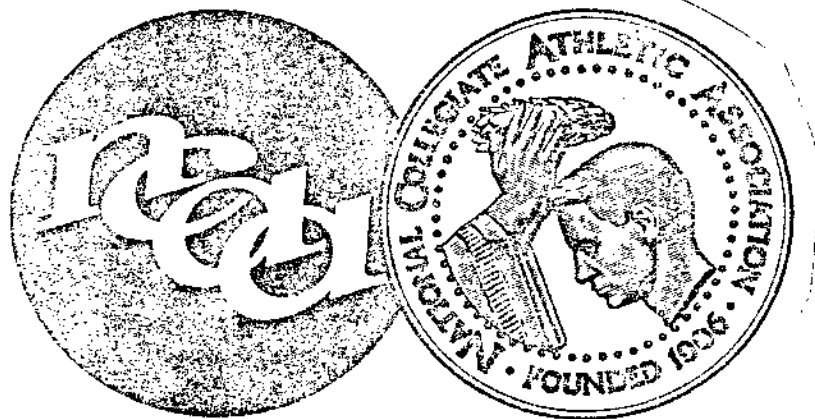

NOTES: Second day began at 4:00 pm and ended at midnight for an even eight hours. The pole vault took three hours, five minutes including 123 vaults at 16 heights. Bastien took the most vaults, 13. Maestretti tried and failed at a new NCAA and Memorial Stadium record of 5.00/16-5. Montpas fell into the box on his final try at 4.60/15-1½, injuring his left leg. Blackburn entered the vault at 3.80/12-5 3/4 and cleared no height, scoring zero points and withdrawing from the competition. Schneider moved up from 11th to 2nd on the second day. Anderson led through seven events, lost the lead to Montpas on the pole vault by 15 points but regained the lead on the javelin. Montpas was clearly laboring after his fall in the vault and fell to fifth on the 1500 meter run. Fourteen started, thirteen finished.

59th ANNUAL NCAA TRACK & FIELD CHAMPIONSHIP

June 3-7, 1980

University of Texas at Austin

1979 NCAA CHAMPIONSHIP

Texas-El Paso built an insurmountable first-day lead and coasted to victory at the 1979 National Collegiate Outdoor Track Championships, despite a rare double victory in the 800- and 1,500-meter runs by Villanova's Don Paige.

Villanova also took titles in the 5,000-meter run, where Sydney Maree ran a record 13:20.63, and in the triple jump (Nate Cooper).

However, two firsts and four seconds were compiled by El Paso, and that helped the Miners to 64 points. Villanova finished second with 48, UCLA third with 36 and Auburn fourth with 30.

Texas-El Paso's titles came in the 100-meter dash (Jerome Deal) and 10,000-meter run (Suleiman Nyambui, in a record 28:01.30).

Renaldo Nehemiah, the spectacular sophomore from Maryland, won the 110-meter hurdles title in 12.9).

That was .09 below his own world record, but the time will not count for records purposes because of wind.

Defending champ Greg Foster was not able to finish his race against Nehemiah but did come back to win the 200-meter title.

Southern California, the defending team champion, was able to win only one event—the 400-meter relay.

Hammer thrower Scott Neilson of Washington captured his fourth straight title in that event, becoming only the second athlete in NCAA history to win four consecutive titles. Steve Prefontaine of Oregon took four consecutive titles in the three-mile run (and its metric equivalent, the 5,000 meters).

Texas-El Paso's championship was its second, and the Miners now have finished either first or second the past five years.

1980 NCAA CHAMPIONSHIPS PREVIEW

by Garry Hill, Managing Editor, *Track & Field News*

National powerhouses Texas-El Paso (UTEP), Southern California and UCLA look to get into a 3-way dogfight for the NCAA track & field title in Austin.

Despite the loss of its No. 1 quartermiler to ineligibility (a ruling which may be challenged in court before NCAA time), the Trojans remain in the thick of things, their strong sprint corps likely to rack up big points.

Cross-city rival UCLA has strength across the board and is tabbed to score in no less than 9 events. This kind of versatility stands up very well in a meet as treacherous as the NCAA, where favorites traditionally fall by the wayside during tough qualification rounds.

100 METERS: 1. James Sanford (USC); 2. Stanley Floyd (Aub); 3. Eric Brown (UCLA); 4. Mel Lattany (Ga); 5. Mike Roberson (Fl St); 6. Curtis Dickey (Tx A&M) 7. Calvin Smith (Al); 8. Jerome Deal (UTEP).

Rated as the No. 1 sprinter in the world last year, Sanford has done nothing in 1980 to lose that title, twice lowering the Collegiate Record with 10.03 and 10.02 clockings. Indoor runner-up Floyd is the latest frosh sensation, scoring a big 10.07 win in the Quad-Conference meet. Defending champion Deal has been off-form in 1980, as has football star Dickey.

* * * * *

200 METERS: 1. James Sanford (USC); 2. James Mallard (Al); 3. Dwayne Evans (Az St); 4. Greg Foster (UCLA); 5. Mike Roberson (Fl St); 6. Mel Lattany (Ga); 7. Stanley Floyd (Aub); 8. Greg Illorson (Hous).

Look for Sanford to complete a sprint double here. Mallard was undefeated through the SEC Championships and rates a slight edge over Olympic bronze medallist Evans. Not only is Foster the favorite in the 110 hurdles, but he's also the defending champion here, although this year's field is much tougher than that he beat in 1979.

* * * * *

400 METERS: 1. Walter McCoy (Fl St); 2. Leslie Kerr (Tx A&M); 3. Bill Green (USC); 4. Bert Cameron (UTEP); 5. Deon Hogan (Ks); 6. Antone Blair (Tn); 7. Brian Denman (S Hall); 8. Ed Daniels (S Di).

The declaration of ineligibility for USC's Billy Mullins, the world's fastest performer in 1980 (44.84), just 2 weeks before the meet, changed the picture drastically. McCoy enters the meet without spectacular clockings, but he's a great big-meet competitor with lots of experience. Kerr, the SWC champ, led the world early but will have to fight hard to hold off first-year standouts Green (the high school record holder) and Cameron.

* * * * *

800 METERS: 1. Agberto Guimares (BYU); 2. Peter Lemashon (UTEP); 3. George Mehale (UTEP); 4. Bill Martin (Iona); 5. Darrell Sargent (Miami/O); 6. Owen Hamilton (Tx); 7. David Mack (Or); 8. Jack McIntosh (Wn Mi).

Austin's heat and humidity will probably militate against Don Paige (Villanova) attempting to repeat his 800/1500 double of last year. He's the best in the nation at this 2-lap distance.

Still, the team to beat, as is common these years, is UTEP. The Miners figure to score big bunches of points in the 800, 5000 and 10,000, but the old proverb about too many eggs in one basket applies very aptly here.

The leading 5 teams, based on predictions made on May 27:

1. UTEP	64
2. UCLA	61
3. USC	54
4. Texas A&M	36
5. Villanova	34

Guimares has stamped himself as a worthy successor with 3 sub-1:47 clockings. 1978 winner Lemashon and teammate Mehale will try for a big bundle of points to keep UTEP on top in the team race. No event in the whole meet will be harder to predict accurately.

* * * * *

1500 METERS: 1. Don Paige (Vill); 2. Todd Harbour (Baylor); 3. Jim Spivey (In); 4. Ross Donoghue (St. John's); 5. Tom Smith (Co); 6. Ron Cornell (UCLA); 7. Paul Steeds (Fairleigh Dickinson); 8. David Rafferty (Murray St).

Paige is far and away the class of the field, with Harbour looking like a good bet to duplicate last year's runner-up finish. The versatile Spivey can just about do anything. He scored in both the 880 and 3M in the NCAA Indoor, and is also a cross country All-American. This could be his best event. Donoghue was also 4th last year, and behind him the quality drops off quickly, with no clear standouts.

* * * * *

STEEPLE: 1. Amos Korir (Vill); 2. Hillary Tuwei (Richmond); 3. Thom Hunt (Az); 4. John Gregorek (Georgetown); 5. Richard Charleston (Murray St); 6. Ken Martin (Or); 7. Randy Jackson (Wi); 8. Sam James (Tn).

Kenyans Korir and Tuwei finished 2 3 last year, with Hunt 4th; all will move up as World Record holder Henry Rono red-shirts at Washington State. Martin is the yearly leader on time but is rated so low merely because of the traditional problems Oregonians have in heat and humidity. He's good enough to win if he can handle the weather.

* * * * *

5,000 METERS: 1. Suleiman Nyambui (UTEP); 2. Mike Musyoki (UTEP); 3. Alan Scharsu (Penn St); 4. James Rotich (UTEP); 5. Doug Padilla (BYU); 6. Mark Andersen (Ar); 7. Chris Fox (Aub); 8. Steve Ortiz (UCLA).

Big points for UTEP are the key to this race. Note that Nyambui has never lost an NCAA Championship race, indoors or out, on the track. Top American hope is sophomore Alan Scharsu. A very difficult race to handicap ahead of time, as few runners have made concrete decisions just which distances to run. Defending champion Sydney Maree (Villanova) could make it very interesting if he ends up here.

10,000 METERS: 1. Suleiman Nyambui (UTEP); 2. Sydney Maree (Vill); 3. Mike Musyoki (UTEP); 4. Samson Kimbobwa (Wa St); 5. Joseph Nzau (Wy); 6. Dan Dillon (Prov); 7. Geir Kvernmo (Wy); 8. Mark Nenow (Ky).

National champions abound in this prediction. Nyambui is the defending champion, Musyoki won in '78 and Kimobwa took the '77 title. Additionally, Maree is the defending 5000 titlist, but has been concentrating his efforts on the longer distance this year. Nyambui and Maree are two of the stiffest kickers around when healthy (both have had muscle problems this year).

* * * * *

110 HURDLES: 1. Greg Foster (UCLA); 2. Dan Lavitt (Mo); 3. Rodney Wilson (Vill); 4. Garnett Edwards (WV); 5. Tony Campbell (USC); 6. Terron Wright (Memphis St); 7. Orlando McDaniel (LSU); 8. Billy Busch (Tx A&M).

Foster set an American Record in winning this meet 2 years ago and is back on top of the hurdling world with a 1980-pacing 13.27. Former prep sensation is coming on strong in his senior year and will vie for the runner-up spot with frosh leader Wilson. Edwards is coming back slowly after missing the early season with injury.

* * * * *

400 HURDLES: 1. Andre Phillips (UCLA); 2. David Lee (Sn II); 3. Chris Person (Md); 4. Sam Turner (Cal State LA); 5. Ron Foreman (NC St); 6. Nate Lundy (In); 7. Tim Hanlon (St. John's); 8. Wilfred Mulli (UTEP).

Last year's first 5 all graduated, but a new generation of studs has quickly replaced them, led by national JC record holder Phillips, who leads the clock by a mere 100th over Lee, 49.38 to 49.39.

* * * * *

4 × 100: 1. Southern California; 2. Houston; 3. Alabama; 4. Arizona State; 5. Texas A&M; 6. LSU; 7. San Diego State; 8. Clemson.

Southern Cal lost the Pac-10 title to Arizona State, but should have adjusted to the loss of Billy Mullins well enough to be No. 1 by the nationals. Look at it this way—give James Sanford the stick anywhere remotely close to the front and he can run down just about anybody in the country (world?). Alabama has a faster clocking than Houston, but the Cougars have consistency on their side.

* * * * *

4 × 400: 1. UCLA; 2. Kansas; 3. San Diego State; 4. Florida State; 5. Baylor; 6. Texas; 7. Arkansas; 8. California.

* * * * *

HIGH JUMP: 1. Franklin Jacobs (Fairleigh Dickinson); 2. James Frazier (Az); 3. Jeff Woodard (Al); 4. James Pringle (Fl); 5. Mike Winsor (C Mi); 6. James Howard (Tx A&M); 7. Mike Lattany (Mi); 8. Lee Balkin (UCLA).

The diminutive Jacobs, who has jumped higher over his head than anyone else in history, will be out to recapture the title he won in 1978. Frazier has the highest outdoor jump in the country this year (7-6¼) and will be a capable challenger. The rest of the contenders (including many not noted here) are all capable of big jumps on a given day, but in general aren't consistent at higher heights.

* * * * *

VAULT: 1. Randy Hall (Tx A&M); 2. Felix Bohni (San Joe St); 3. Tom Hintnaus (Or); 4. Anthony Curran (UCLA); 5. Jeff Buckingham (Ks); 6. Mark Herns (Houston); 7. Tim McDonald (Cal Poly/SLO); 8. Paul Pilla (Ar St).

Three 18-footers share the top of the heap, with indoor champion Hall rating the edge over Swiss record holder Bohni and Pac-10 champ Hintnaus. Pilla is the defending champion, but has only been a shadow of his 1979 self for virtually all of 1980.

LONG JUMP: 1. Larry Doubley (USC); 2. Carl Lewis (Hous); 3. Jason Grimes (Tn); 4. Ken Hays (USC); 5. Greg Artis (M Tn); 6. Gilbert Smith (Texas/Arlington); 7. Greg Turner (Houston); 8. Darryl Simmons (Ga).

The winner of this meet as a frosh (1977), Doubley is returning from a cracked kneecap better than ever. That's just what he'll have to be to turn back the challenge of Houston's Lewis, the prep record holder. Doubley has already exceeded 27-feet on a wind-aided jump this year.

* * * * *

TRIPLE JUMP: 1. Vince Parrette (Ks St); 2. Robert Cannon (In); 3. Sanya Owolabi (Ks); 4. Dokie Williams (UCLA); 5. Ken Hays (USC); 6. Ed Lloyd (McNeese St); 7. Frank Alston (CW Post); 8. Steve Hanna (UTEP).

Indoor Collegiate Record setter Parrette figures to have a ding-dong battle with 1979 runner-up Robert Cannon. High School Record holder Sanya Owolabi and Dokie Williams are also both capable of challenging for the top position.

* * * * *

SHOT: 1. Jeff Stover (Or); 2. Mike Carter (SMU); 3. Hreinn Halldorsson (Al); 4. Tim Scott (Tx A&M); 5. Oskar Jakobsson (Tx); 6. Anders Jonsson' (BYU); 7. Joe Maciejczyk (LSU); 8. Bruce Heide (Az St).

Stover has emerged as the country's newest 68-footer to rate as a narrow favorite over Carter, the greatest prep putter in history. Carter has had a series of problems which have hindered his development in this his first year of collegiate competition. Icelandic Halldorsson threw over 69 a couple of years back but hasn't displayed that type of form since coming to the States.

* * * * *

DISCUS: 1. Tim Scott (Tx A&M); 2. Oskar Jakobsson (Tx); 3. Tim Fox (Or St); 4. Dave Porath (Cal); 5. Goran Svensson (BYU); 6. Scott Hersh (Az St); 7. Carlos Scott (UTEP); 8. Pat McCulla (Ky).

Scott and Jakobsson are the only 200 footers, and have traded wins all season, with Scott holding a slight edge and having the longer throw. Jakobsson will have some home-field advantage. Fox was also 3rd last year and defeated High School Record holder Porath for the Pac-10 crown.

* * * * *

HAMMER: 1. Matt Mileham (Fresno St); 2. Thommie Sjolholm (UTEP); 3. Rick Buss (Stan); 4. Rolf Gustavsson (BYU); 5. Jim Jesernig (Wa St); 6. Tom Lenz (Harv); 7. Alex Miller (NH); 8. Paul Buxton (Wa St).

Sjolholm has almost a 10-foot bulge on Mileham in the distance department, but has shown some wide fluctuations from meet to meet, while Mileham is very consistent in the low 220s.

* * * * *

JAVELIN: 1. Reidar Lorentzen (Or); 2. Denes Pajtas (Tx); 3. Curt Ransford (San Jose St); 4. Mike Juskus (Glassboro St); 5. Steve Kreider (Army); 6. Jari Keihas (BYU); 7. Mark Anderson (UCLA); 8. Barry Darling (Al).

Lorentzen, a usually consistent Norwegian, was the favorite last year but had problems with the runway. That shouldn't happen again. If the winds get tricky, Pajtas may best handle things on his home runway.

* * * * *

DECATHLON: 1. Mark Anderson (UCLA); 2. Jeff Swanger (Weber St); 3. Gary Gefre (Wa); 4. Jeff Montpas (Az St); 5. Joe Schneider (St. John's); 6. Dave Steen (Cal); 7. Tom Harris (UCSB); 8. Steve Rainbolt (Ks).

Too injured to contest a decathlon prior to the meet in 1980 (he got his qualifier in December, '79), Anderson rates as the narrow favorite over what should be a very tightly bunched field. Absence of mistakes should determine the outcome.
