Nyambui lifts UTEP to victory

From Democrat wires

DETROIT — Suleiman Nyambui won the mile for the third consecutive year Saturday and became the greatest individual winner in the 17-year history of the NCAA Indoor Track and Field Championships while leading Texas-El Paso to the team title.

The Miners, capturing the team championship for the second straight year and sixth time in eight seasons, amassed a record-tying 76 points in the two-day, 18-event meet at Joe Louis Arena.

Texas-El Paso also scored 76 points last year.

Nyambui, a 27-year-old junior from Tanzania, won the mile in 4:01.85. That came a little more than an hour after he had been thwarted in an attempt to win the two-mile for the third year in a row, finishing second to Brigham Young's Doug Padilla in a stirring duel.

Going into this year's meet, Nyambui had been tied for a record four victories with former Kansas distance star Jim Ryun, winner of the mile from 1967-69 and the two-mile in 1968.

While Nyambui was making history, so was sophomore Carl Lewis of the University of Houston. Lewis, a 19-year-old from Willingboro, N.J., added the 60-yard dash title to the long jump crown he had won Friday night, making him the first athlete in NCAA indoor history to win a track event and field event.

In the 60, Lewis rallied in the closing strides to edge Mel Lattany of Georgia in 6.16 seconds.

SMU, which had collected 49 points Friday on the strength of victories by triple jumper Keith Connor, shot putter Michael Carter, weight thrower Michael Weir and half-miler Sammy Koskei, was limited to two points Saturday. The Mustangs finished second.

In addition to Nyambui's 18 points, Texas-El Paso got 10 for Peter Lemashon's victory in the 1,000-yard run, eight from Milt Ottey's second in the high jump and eight from its two-mile relay team, which finished second.

Tennessee finished third with 33 points and Brigham Young was fourth with 26.

Florida State failed to qualify for the finals in any event and finished with no points.

Former 600-yard dash champion Walter McCoy stumbled in his qualifying heat; Ronnie Taylor's time of 49.87 in the 440-yard dash was .8 second off the qualifying standard; Robb Gomez was second in his heat in the 1,000-yard run in 2:11.47; and Leon Hutchins' triple jump of 50 feet 9 inches was 9 inches short of the qualifying standard.

The mile relay team of Taylor, McCoy, Eric Riley and Ron Nelson won its heat in 3:19.82, but the time was .16 second too slow for the final.
