BAYLOR SPLITS: 46.9; 47.3; 45.9; 45.3

SULEIMAN NYAMBUI OF UTEP, ANCHOR ON THE WINNING DISTANCE MEDLEY RELAY

"After the ~~bell~~ bell, I started to pick up the pace to ~~a~~ make better time.

~~It's windy, but I'm really happy about my time."~~ It's windy, but I'm really happy about my time."

BRAD PURSLEY OF ABILENE CHRISTIAN, ~~WINNER~~ WINNER OF THE ~~COLLEGIATE~~ COLLEGIATE POLY VAULT

"The wind was good today. That's unusual to get that here especially at that end (south end of the stadium). It was mostly tailwind which is what ~~what~~ vaulters want. Randy and I have jumped together a lot. That helps to be jumping against somebody good. We've ~~got~~ got a good competitive thing going. He's a good friend."

MARK DUPER OF NORTHWESTERN LOUISIANA STATE, ANCHOR ON THE WINNING CLYDE LITTLEFIELD UNIVERSITY 400-METER RELAY

"It was just a good race. ~~I~~ saw Lewis (Carl of Houston) coming up. I was looking at him. Every time he came close, I picked up speed. There was a crosswind. That's what slowed us up today. Every time we come to Texas the competition is good. ~~That's~~ That's why we like coming here."

~~DELISA~~ DELISA WALTON OF TENNESSEE, ANCHOR LEG OF WINNING WOMEN'S 1600-METER RELAY

"We just had our minds set on winning. Yesterday, we were running just to ~~qualify~~ qualify. I know I had one advantage, and that's ~~because~~ because I am a good half mil. We came here very optimistic about these relays. We pleased ~~ourselves~~ ourselves with the times we ran. If I had not looked to my side, she (Oralee Fowler of UCLA) would have beat me because I thought she was behind me. I was surprised."

ZEKE JEFFERSON, ANCHOR LEG OF BAYLOR WINNING 1600 METER RELAY

"I knew I wouldn't have a chance at beating them (Ark & Tex) if I didn't pass quick. My adrenalin was pumping. The only person I was worried about coming up was Cameron (~~Bert~~ Bert of UTEP). I ran a 45.0 two weeks ago but I think I went ~~out~~ out too fast this time."

PAT MITCHELL, ANCHOR LEG OF ARKANSAS SECOND PLACE 1600 METER RELAY

"I'm really disappointed in myself. The first 220 I went out too slow. They caught me faster than I thought they would. That's the first time I've anchored in two years-- I just wasn't used to running it. I really wanted to win this one."

KIM TURNER OF UTEP, second place finisher in the women's 100-meter hurdles

"I saw her foot every step of the way. I'm tired. The sun is so humid out here. In El Paso it's dry. The humidity is making me sick."

INVITATIONAL

JAMES BUTLER OF OKLAHOMA STATE, ~~4~~ WINNER OF THE ~~100-METER DASH~~ 100-METER DASH

"I got a good start. I felt ~~pretty~~ pretty good. Then, I found myself out in front, and I really started going. I knew it was close. I couldn't see Jerome (Deal), but I knew he was there. I saw Herkie (Walls) though. We were looking at each other. Deal and Herkie were the guys to beat. I'm surprised that I won. That's my best time this year."

CORNELIUS DOZIER OF DALLAS SOUTH OAK CLIFF, LEADOFF MAN ON THE WINNING HIGH SCHOOL 400-METER RELAY

"I think we're the best team in the U.S. in the 400 relay. We're going to get better each day."

EGYPT ALLFN OF DALLAS SOUTH OAK CLIFF, ANCHOR ON THE ~~400~~ WINNING HIGH SCHOOL 400-METER RELAY

"We all ran better here at this meet because we had better competition. we ran slower today because we messed up on the baton handoff on the third leg."

VERN IWANCIN OF DRAKE WHO THE INVITATIONAL 3,000-METER STEEPLECHASE

"That's my best time by about a second. This is the toughest field before the NCAAs. I was waiting for somebody like Muniyala to take off. ~~Like him~~ I like to hang in there. I just felt good today. I tried staying behind Muniyala as long as I could. I've never beaten him. He's pretty much world class. I don't know what happened to him today."

SULEIMAN NYAMBUI OF UTEP WHO ANCHORED THE ~~WINNING~~ WINNING 4 6400-METER RELAY

"I ~~felt pretty~~ felt pretty tired because of the wind. The wind slowed me down pretty much, but I did OK. ~~He was pacing himself~~ I was pacing myself so I could run later in the day."

BENITA FITZGERALD OF TENNESSEE, WINNER OF THE WOMEN'S 100-METER HURDLES

"It was nice to better the record, but it was too bad about the wind. Kim (Turner) is always good competition for me. ~~I've always had a slow start~~ I always have a slow start. Most of the time I come out of the blocks from the back of the pack, so it's not ~~foreign~~ ~~for~~ foreign to me playing catch up. Sometimes the wind hampers me. It makes me overstride the hurdles."

ORLANDO MCDANIEL OF LSU, WINNER OF THE INVITATIONAL 110-HIGH HURDLES

"I didn't run too good. At LSU we're still in spring training. When I ran the 400-meter relay, I got loosened up and got rid of all the kinks. If I keep it up and don't pull ~~anything~~ anything, I'll be all right."

RON INGRAM OF OKLAHOMA STATE, WINNER OF THE COLLEGIATE 100-METER DASH

"I felt really good. I knew I had a chance to win. ~~Even~~ Even though I'm from Dallas Hillcrest, this is the first time that I have run the 100 meters at the Texas Relays. It feels good to run the 100 ~~meters~~ meters and win it since I'm from Texas."

STANLEY REDWINE OF ARKANSAS, ANCHOR ON THE WINNING 3200-METER RELAY TEAM

"I knew that Koskei (Sammy of SMU) is a fine runner. He is among the best ^{half} ~~the~~ milers in the world. I have a lot of respect ~~for~~ for him. Randy Stephens gave me a substantial lead so my job was just to hold him off. This is my first time running the half mile so I ~~gave it what I could~~ just gave it what I could. I've never run that event. [✓] You have to pace yourself more. I'm not use to that race." I have an injured leg. Severe shin splints. It's bothering me. I've had it all week."

SAMMY KOSKEI OF SMU, ANCHOR FOR ~~SECOND PLACE MUSTANGS~~ THE SECOND PLACE MUSTANGS ON THE 3200-METER RELAY TEAM

"He (Stanley Redwine of ~~Arkansas~~ Arkansas) had a ~~big~~ ^{big} ~~good~~ ^{good} lead (20 yards). I was afraid that I would tire. All I wanted ~~to~~ was to run a good time. I think it was a good workout for me. I'm not disappointed. He's (Redwine) a tremendous runner."

MICHAEL ~~WALKER~~ CARTER OF SMU, ^{WINNER OF} ~~WON~~ THE SHOT PUT

"It's a PR (Personal Record of 67'11). That's about all I can say. I'm still rusty but it will come. ^I ~~I~~ like this ring over all the others. The crowd helped a lot. "
