UNIVERSITY & OPEN HIGHLIGHTS

OVERALL:

What started out to be one of the largest open and collegiate track and field meets in South Florida since 1969, soon looked more like a swim meet. Rain came down hard for most of the day but it only curtailed the crowd, not the competitive spirit of the athletes.

A total of eleven colleges from around the state of Florida and the Caribbean and four track clubs including the Ottawa Athletic Club and the Jacksonville Track Club were in attendance.

MALE DIVISION:

Despite the weather conditions, some outstanding performances took place. Santa Fe's Oki Clark won the 800 (1:50) and the 1,500 meters (3:59). Puerto Rico's Melvin Morales set a national record for his country with a clocking of :47.6 (Accutrack :47.95) in the 400 meters. Florida State's Billy Allen won the 200 meters (:21.25) and anchored the FSU 4 x 100 relay team to a winning time of :40.97.

Santa Fe's Albert Peacock's 6-foot-6 high jump win was a great feat considering the conditions. Scott Ellis' vault of 14-feet was also a valiant effort.

FEMALE DIVISION:

The female collegiate division was not as hotly contested as its male counterpart, but some good head to head competition took place. In the 400 meters, Ottawa's Anne Larivieri set a blistering early pace but tired toward the end. Her winning time was :56.3 while teammate Bridgett Kehoe finished second with :58, in their first outdoor track meet of the year.

Florida International's Shelley Gornick won the 800 (2:19) and 1,500 meters (4:41.4), barely missing the NCAA national qualifying time for 1,500. In the 5,000 meters, Florida J.C.'s Andrian Lilburn outdueled F.I.U.'s Coleen Napolitano with a time of 17:59.4.
