Northern Arizona Invitational
February 27, 1993
Flagstaff, Arizona

Jon Carter took first-place honors in both the 55 and 200m Dashes. Carter ran in NCAA Provisional time of 6.26 in the short sprint. He came back with a 21.56 in the 200m.

Marcus Dixon qualified for the 55m Hurdles final with a 7.65 in the prelims. Dixon placed third in the finals with a 7.64 time.

Kevin Crist took second in the high jump with a 7-1 performance. Anthony Washington jumped 6-11, good enough for fourth place.

Washington joined up with Kelsey Nash in the triple jump. Nash jumped 51-11.25, an NCAA Provisional performance. Nash finished second, while Washington placed fifth with a 46-9 leap.

Nash also competed in the long jump. He finished fourth after a jump of 23-00.75.

Sheryl Covington had an outstanding meet as she, like Carter, won both the 55 and 200 meter dashes. Covington finished one spot ahead of Patrice Verdun in the 55 in 6.83. Her time betters the NCAA Automatic Qualifying standard. Verdun ran in NCAA Provisional time of 6.90.

Covington and Verdun again took 1-2 in the 200m. Covington's time was 23.86, while Verdun's was 23.92.

Indy Henry placed second in the high jump with a 5-08 performance.
