FSU SWIMMERS FALL

Tallahassee, FL - Both Florida State swimming and diving teams were defeated by Texas A&M on Saturday afternoon in the Bobby E. Leach Center. The FSU women fell 123-120, while the men lost 146-97.

The Tribe women needed to win the day's final event, the 400 freestyle relay, for an overall victory but finished second. The loss ended the Lady Seminoles four meet winning streak.

Freshman Chip Haberstroh was Florida State's only double event winner, taking both the 500 and 1000 free. Thomas Bendixen (200 free) and Kevin Murphy (200 breaststroke) were the only other FSU men's winners.

Six FSU women won events: Maider Gaztanaga (1000 free), Helen Jepson (200 butterfly), Claudia Wilson (200 backstroke), Dora Bralic (200 breast), Julie Henderson (one meter diving), and Susan Petry (three meter diving).

FSU's women are now 5-3, while the men drop to 5-4. The Tribe has one more regular season home meet (Miami, January 29th) before hosting the Atlantic Coast Conference Swimming and Diving Championships February 18-26 in the Leach Center.
